Let's Spruce Up Our Playground

April 13, 2019 8-11 am

We love our playground but it needs a good sprucing up. New mulch will arrive this week that needs spreading, we have playground equipment that could use a good cleaning, the shed could use a little work and Mr. Paul would appreciate help putting some new climbing tires in place.

Please join us if you can! We will have donuts and coffee waiting.

We now have a Speech Therapist On Site!

Recently I sent out word regarding Katie Forsman, the Speech Therapist we have brought on board so that your children can receive speech services while they are here at school.

Assessments for the children will be done through a scholarship program here at school. Weekly sessions will need to be paid for by you.

If your child's Teacher has discussed possible speech issues with you, I would encourage you to contact Katie to have your child assessed. Speech impacts every area of a child's development. Please take advantage of this opportunity to have these services offered to you here.

Have you filled out your paperwork regarding Summer and Fall enrollment yet?

The last week of March we handed out forms to every family asking your plans for both Summer and Fall.

Please be sure to have your form filled out and returned to Ms. Patty by **April 26th** to ensure your child's spot for both Summer and Fall.

What is Chapel Night?

Chapel night is our opportunity to show you what your children do during Chapel. This year was a little different because it was the first year Ms. Patty didn't teach the Preschool age kids. Instead, Ms. Suzi (the Children's Director at the church) taught so that she could build bonds with the kids too. Ms. Suzi and the Pastors led the VPK Chapel sessions.

During this event, we will also hand out Bibles to the children who are new to our school or have not yet received Bibles (Children become eligible when they go into our 2s class).

We hope you will join us for this special event!
