

RecoveryWerks!

Changing the world through recovery one **underserved** community at a time

Our Mission:

RecoveryWerks! provides proven recovery support services in a safe and nurturing environment for teens and families in rural communities affected by substance use. We educate, partner with local agencies, and advocate for strong community support systems to reduce the stigma of addiction and increase recovery success.

Our Beliefs:

Recovery works when there is a belief in a Higher Power.

Recovery works when physical, mental and spiritual issues are addressed as a whole.

Recovery works when clients are empowered to break the cycle of addiction and dependency through the 12 steps.

Recovery works in fellowship when clients feel safe and have access to education, counseling, sponsorship, and support groups.

A donation to RecoveryWerks! has a huge impact towards bringing recovery to teens and families in our community.
