ANASAZI's On The Road...

Narrative by Wayne Cernie

This is going to be short newsletter as the Chapter members are on the way to Indio California to enjoy the 32nd Western Area Motorhome Association Rally. We will have exciting highlights in the next newsletter as we have our crack team of reporters on site...

We should get word on all the exciting events as we have Roger and Laura Hester doing duty as ANASAZI Hosts for this rally.

David and Shirley Ridley organized the caravan into the event and will keep an eye on the Hester's.

Of course Mel Jones will be in the thick of things making sure to keep order in the parking area and keeping an eye on the Ridley's who are keeping an eye on the Hester's.

And we have Barry Stallings keeping an eye on Mel and Amy keeping an eye on the entire outfit :)

Isn't it great how the ANASAZI's watch out for each other!

January has always been a busy month with New Years, The Havasu Balloon festival, the Western Area Rally and then there is Quartzite and the Vacation RV show. It is always good to visit the FMCA booth under the big tent and say "howdy" to the volunteers working the booth and spreading the word about the benefits of FMCA!

Attached to this newsletter is the registration for the February rally in Tonopah. Larry and Virginia Morrison are getting their hosting in early for the year (Hmm..didn't they just help out the last two months?) We have newbies Linda and Dayton along with the dependable team of Barry and Woody rounding out the hosting team. It should be a fun rally to attend!

Presidents Message

Happy 2020 -- an exciting new venue of camping for the ANASAZI. When you read this, some of you will be back from Indio and others settling in from the Christmas and New Year's celebrations. Looking forward to seeing you all again at the upcoming rallies. As a reminder -- be ever vigilant in the school zones. Young minds are not always focused on the task at hand.
