

2018 Summer Conference

Agenda

Galt House Louisville, KY June 18 – 21, 2018

Welcome to the 26th Annual STAK Summer Conference

On behalf of the STAK Regional Directors and Officers, we want to welcome you to our 26th Annual Summer Conference. We believe this year's conference will be both informative and engaging. In addition to the "take-aways" that you will receive from our speakers and breakout sessions, one of my favorite parts of our conference is the networking that occurs during these three days. You will be able to learn from and share ideas with some of the best transportation professionals in the nation.

This is your conference, and we want it to be the best experience possible for you and your team. If there is anything that I, the STAK Officers, or Regional Directors can do to make your conference even better, please don't hesitate to let us know.

We would like to thank our corporate sponsors for helping us with our conference once again this year. Please stop by their tables at the tradeshow and express your appreciation for their support of our conference.

Thank you for attending this year's conference, and for *Making A Difference* in the lives of so many individuals and families!

Kevin Whitt STAK President
