

## **M&M Monday** 8,21,2017

*Meditation and Motivation through Bible verse and prayer  
to help you get through your Monday!*

**Psalm 16:8- I keep my eyes always on the Lord. With him at my right hand, I will not be shaken.**

With the whole United States preparing for a natural phenomenon that won't happen again for another 100 years, there are a lot of eyes going to be looking for this natural wonder to take place. I'm here to bring wrap it all up and make sure that in the awesomeness of this eclipse, we are keeping our eyes on the Lord - that we are giving Him thanks for this beautiful creation of His and the miraculous timing He has given for these events of wonder to take place. That if we can, we use this time to point towards the Lord and give Him the glory for this beautiful once in a life-time (here on earth) event.

We would love to hear from those of you who have a word from the Lord about this event. Please find us on Facebook!!

And don't forget your safety glasses!!

Thank you Lord for the beauty You have created and for showing us Your power and awesome creativity in such a wonderful experience to share with friends and family. Lord we give You the thanks for all You have created, we give You the glory for the beauty and the awe inspiring views that we get a chance to see when we are out and about – Lord help us to see You in all things – to find You in all that we do and do keep Your joy in our heart that You put things in place for Your pleasure and for ours. Thank You for keeping us protected as we explore what You have created. In Jesus name, amen.
