Distinguished Service Awards

Postsecondary Electronic Standards Council

— 25th Anniversary —

www.pesc.org
Many volunteers from the PESC Membership and education community have helped shape PESC into the strong organization it is today.

The success of PESC is due primarily to the valuable output (from white papers to development, approval and maintenance processes of standards) all produced through workgroups and committees that are staffed and run by these volunteers.

Based in openness and transparency, together we support a neutral and welcoming environment with a seat at the table for everyone.

Certain individuals, who exemplify these values and who have performed for PESC above and beyond the call of duty, are recognized by PESC each year with Distinguished Service Awards.

PESC Distinguished Service Awards serve as our opportunity to say thank you for being a leader and for making a positive impact on education.
Recognized for continuous, annual PESC Membership and successful, continual election to the PESC Board of Directors
