The Holidays are here! If you are looking for a new **Harvest wreath** to welcome your guests, a unique **wine display**, or a new **table** to serve your Thanksgiving feast –we have (or can create) it for you!

Calling all wine-lovers!

We have been busy this year finding new uses for old wood and wine corks. **Oak pallets** offer a super sturdy and rustic looking wood, ideal for showing off your favorite vintage! And **wine corks** hold heat really well and are easy to clean. The perfect pair for *your* Holiday festivities –or packaged with a bow for a gift!

Come see us in person at the High School, or *Shop the Shop* in our Online Store: www.customcreationsNY.com, where you can place an order for anything in the workshop now, order a custom variation or, setup a design appointment to create your unique masterpiece.

We are thankful for our health, our family and our customers. Talent is God-given and we are humbled when our pieces are welcomed as an heirloom and enjoyed for generations.
