

High Country Working Equitation

Sponsorship Opportunities

High Country Working Equitation (HCWE) is a non-profit, 501c 3 organization. We promote the equestrian discipline of working equitation in the Rocky Mountain region, and are associated with the national organization, United States of America Working Equitation (USAWE.) Charitable monetary gifts to HCWE are tax deductible. The club acknowledges all donations as follows:

Platinum Sponsor \$1000

Our club will display a provided banner at High Country Working Equitation (HCWE) sponsored events, including shows and clinics. We have at least one event happening every month from March through October, and occasional clinics through the winter months. This generous amount is enough to pay for the rental of a venue for a 2-day show plus pay judge's fees, thus lowering costs throughout the year for members. We can also use this to offer low-cost clinics to encourage riders to try this sport. Platinum sponsors will be listed on HCWE's website plus our Facebook page with provided advertising message and/or logo for 12 months plus will be honored in our following month's member newsletter.

Gold Sponsor \$500

This generous amount helps the club lower costs to members. We can also use this to offer low-cost clinics to encourage riders to try this sport. Gold sponsors will be listed on High Country Working Equitation's website plus our Facebook page with provided advertising message and/or logo for 6 months. Gold sponsors will be honored in our following month's member newsletter.

Silver Sponsor \$250

Silver sponsors will be listed on HCWE's website plus our Facebook page with provided advertising message and/or logo for 3 months. We will also honor them in our following month's member newsletter.

Bronze Sponsor \$50-100

Bronze sponsors will be honored in our following month's member newsletter.

Please consider High Country Working Equitation for a personal or company donation.
