Bob Anderson
Vice President
Internal Audit and Corporate Compliance

Biography

Bob Anderson is vice president of internal audit and corporate compliance for The Home Depot. He is responsible for the internal audit function, which develops and executes the Company's risk-based audit plan, enterprise risk management and the development and maintenance of core compliance and ethics programs. He also is responsible for the annual physical inventory count process in all of the Company's stores.

Bob joined The Home Depot in 2002 as a manager. He has held roles of increasing responsibility including senior manager, director and senior director of internal audit and corporate compliance. Prior to joining the Company, Bob was a consultant with iXL and an industrial engineer at Eastman Chemical Company.

He has a Bachelor's of Science degree in Industrial Engineering from Georgia Institute of Technology, a MBA from Vanderbilt University and a Master's of Professional Accountancy from Georgia State. He is also a certified public accountant.
