## FRIDAY NIGHT PARTY

There shall be no attempt to make it more than a symbol of loving Christian fellowship. At the time of this event, the hour is late and the day has been filled with emotional highs and lows. This refreshment break should be a relaxing and beautiful way to close this eventful day. This can be done through simple decorations, lighting, simple arrangements of baskets or flowers, dishes and napkins.

The Friday Night party should take place in either the refreshments area or other designated area, depending on location. **NEITHER THE CONFERENCE ROOM NOR THE DINING ROOM SHOULD BE USED FOR THE FRIDAY NIGHT PARTY!**

The cost of drinks, food items, and paper products is considered agape and not reimbursable by CAC. The Chairperson may seek reimbursement from their Cluster, if needed.

### **Suggested Drinks:**

### **Suggested Foods:**
