Melissa Brady, Technician Manager     [melissa.leigh.brady@gmail.com](mailto:melissa.leigh.brady@gmail.com)

Vet Tech, Vet Assistant FT, Weekends Required, some Holidays Required

We are a fast paced privately owned clinic in the North Georgia mountains. We are opened 7 days a week and most holidays. We are looking to hire a Veterinary Technician or Veterinary Assistant to help out on weekends and some weekdays. Job duties include restraining patients for examination, helping to fill medications, nail trims, expressing anal glands, monitoring surgery, sterile surgery prep, performing dental cleanings, client education, and more. Please come by and fill out an application or e-mail me your resume. Experience is preferred, but not required.

Minimal of High School Diploma Required

Licensure Not Required
