

HISTORY OF THE REVELATION 12 SIGN

Research and Postings

BY LUIS B. VEGA

The inverted Square and Compass is intentionally depicted in reverse fashion for a good reason.
And it is explained in the 'About' Section of the PostScript.org webpage.

As one of the Revelation 12 Researchers, one came down in the 'middle' of all the Theories, Contention, Scoffing and Praise concerning the Sign in Virgo as it Astronomically appeared in the Fall of 2017. One is convinced that it was and did 'Signal' the coming Rapture and timing. It was a 'Sign' for the Times. Consider all the People worldwide that because of this Revelation 12 'Great Sign' in Virgo in 2017, there was much Discussion, Theories and Contention but Salvation. Many People started to read the book or Revelation for the first time or the Bible.

Realize that the topic of the Sun, Moon and the Stars and 'Numerology' had been suppressed for 1000s of years and not taught in the Churches. Realize that the Enemy counterfeits only the Original. Yes, Astrology is the corruption of Astronomy. Numerology is the corruption of Sacred Gematria. The Sign was a 'Wake-Up Call', but it also had its share of Scoffers. Yet, People have gotten saved, others repented and yes, others have hardened their Hearts because of the Sign. And this, especially as the 'Rapture' did not happen as many purported.

Do realize that the Scoffing and Ridicule is part of the 'Signs' as it was the Days of Noah. As some have said, Noah was considered a Conspiracy Theorist, until it started to rain. The Revelation 12 anomaly that depicted a certain array of Planetary Alignments in the Constellation or Virgo was a 'Sign' despite what Scoffers said. Most did not realize that the more one studied it, it became just that more amazing of how Prophetic Associations kept coming up. What follows is the evidence presented to corroborate why one can at least claim one was one of the initial Researchers into the Sign that attempted to reveal all its Glory. It also serves to present the evidence when many had asked if I was the 'One who Discovered it'.

One could have sensationalized the 'Claim to Fame' by doing the Book Tours, and making the flashy videos. But that is not what Prophecy is about, at least not in one's book. Remember that one's hope as a Follower and Believer of Jesus is not on 'Signs' but that Our Hope, our Blessed Hope is 'built on nothing less than Jesus Christ and His Righteousness.' Over the years in studying the subject of the Revelation 12 Sign, one has compiled the research and you all are welcome to download all that to look over. It is housed in my online Revelation 12 Resource Page. It is a compilation of various aspects of the phenomenon since 2008.

The Great Sign of Virgo Resources: <http://www.postscripts.org/revelation-12-sign.html>

The following evidence will show that it was not one's own word that could have asserted the 'coveted' place of having discovered the Revelation 12 Sign. It will show the Good, the Bad and the Ugly as it has been part of my Journey in studying this aspect of the Signs in the Sun, Moon and the Stars. There will be various Independent Sources that attested to the claims I can only make... That since 2008, I had studied the Revelation 12 renditions that appeared in Virgo every Fall. There will also be evidence of how my Research was misused. It will serve as a historical insight for those that would like to know my 'behind the scenes' experience. It was an amazing journey.

1-POSTINGS

Charts of the various Revelation 12 Sign Studies based on Eschatology were posted on one's Staff Profile on the Sonoma State University starting in 2009. The webpage is no longer functional as it was Censored and taken down by the University Authorities for being 'Religious' in content in May of 2011.

The following video was made referencing one's Astronomical Charts Studies by Scottie Clarke and others. The 1st by Scottie Clark is a video feature a Chart of the Timeline of Eclipses made in 2008. When it became 'Viral' around 2010, this is what made Scottie take to researching such Astronomical Alignments and then the Revelation 12 Sign that one posted subsequently. He attested to this in this video and Posting in RITA Forum, which transcript will be provided.

There is a lot of hype about the 'blue' Comet Elenin -which has been verified and the speculation of the coming 'red' Planet X or Nibiru in 2012. Some consider them the same phenomena. Both events have now been enveloped in conspiracy theory for sure but there some peculiarities about them that makes you wonder? Like the Fukushima meltdown... the 'official' policy of actual disclosures is intentional to minimize panic and pandemonium. Many amateur astronomers and government agencies like NASA did actually disclose and discover the so called Planet X but have retracted statements and there is no official coordinates to locate the Planet in question. I acquired the coordinates that might be an approximation of where the Planet would be as Stellarium does not recognize such a body but it might be an approximation nonetheless.

That being said, I wondered if the Vision of John in Revelation Chapter 12 is actually correlating to a physical manifestation in the near future or was it just an Amelantistic spiritualization as they claim? I ventured to investigate the Ecliptic path of the Sun and Moon on each September Rosh Hashana date from 2013-2019 and only on 2 consecutive years does anything close to the vision occurs: September 9, 2013 and September 16, 2014. I am not setting out to prove anything only that it might be a unique coincidence as the pieces seem to fit the pattern and not that anything significant has to fall in a particular Jewish Feast Day or pattern either; it is mere conjecture for your curiosity in such matters. But if this theory is proven correct....wow! "As above, so below"....

PLANET X

Not to prove or disprove, Only a possible theory from various sources of its affect. It is 'WORMED' because of its gas reactions to the solar wind. It is also referred as:

- Planet of the Crossing
- The Death Star
- The Destroyer
- The Red Dragon
- The Horned Planet
- Tyche / Wormwood

Interestingly enough, the Planet is "Red" "Horned" and has 7 Moons -just like the 7 Headed Horned Dragon in the Book of Revelation.

Why can't we see it? It is coming up from the southern hemisphere and being a cold dense mass, only the South Pole Telescope and others like the IRAS Infrared Telescopes can track it.

COMET ELENIN?

Is there Planet X? Well, ELENIN is 'Blue' in color and Planet X is 'Red'. Many extra-biblical sources of old prophesied a Blue Star first to 'Warn' as a prelude to Nibiru. Warnings of possible pole shifts, tsunamis, global weather changes, and earthquakes, asteroids, etc.

E.L.E. = Ecliptic Level Event
'Eleven, Nine' = 110 or 21121

ROSH HASHANA 2015

The possible Revelation 12 'Sign in the Heavens' coming days after Rosh Hashana, 2015.

Planet X is scheduled to be discovered on December 21, 2012 - part of the hype and if real, it will be identified beyond doubt. Well into 2015, here is what might be related to the Vision John saw in Revelation 12. Literally. No speculation here other than a possible correlation and not to say that this could be the literal 'Sign/Vision' John saw or that it could mark the beginning of the last 3.5 years of the Great Tribulation Period. Just days before, on September 11th, 2001 you happen to also have the Partial Solar Eclipse and the last of the Tetrad Blood Moon. Interesting don't?

For those of you that follow astronomy, you realize that the Sun travels the Ecliptic and every September, it traverses through the constellation Virgo. The three Sunsets travel through it. Around every Rosh Hashana on here the Revolution 12 happens, except in 2015, you have Mercury 'Yom Kippur' out of Virgo and Planet X (Nibiru) the Death Star, the Red Dragon positioned in the constellation HYDRA (Dragon) opening it. It is the literal imagery of what John saw 'literally'? As above so below?

PLANET X - A BROWN DWARF?
Basically a 'red' star, very dense that did not become a 'star'. It has extreme density and thus great gravitational pull.

NIBIRU'S ORBITAL CIRCUIT?
The Planet has a 3,600 year circuit, making our System a Binary Sun system. It is believed it's moon collided with earth & made our Moon & rest of the Asteroid Belt.

WORMWOOD?
Crossing the tail of Comet Elenin -as it is projected will increase the risk of asteroid hitting the earth.

Revelation 12

And there appeared a great wonder in heaven; a Woman clothed with the Sun, and the Moon under her feet, and upon her head a Crown of 12 stars: 'And she being with Child cried, travelling in birth, and pained to be delivered. 'And there appeared another wonder in heaven; and behold a Great Red Dragon, having 7 heads and 10 horns, and seven crowns upon his heads.

Interestingly, Virgo has 6 stars in the northern hemisphere and 6 stars in the southern hemisphere after her head.

CONSPIRACY?
The coordinates for Planet X are not embedded in the latest versions of Stellarium; it has been stripped out. The code was acquired from an online source before being edited - its accuracy cannot be verified, but approximate.

Coincidentally the official NASA announcements have been retracted. Google Sky and Stellarium have blocked the coordinates of:

5 h 53m 27s -6 10 56

The first Scientist to discover the phenomenon in 1967 in the South Pole was to give his findings back to NASA in DC but 'knew' unexpectedly before going public. Dr. Robert A. Harrington UPOTV Presents

THE RED DRAGON

Heavenly Sign of Revelation 12

At least 2 years on my university website before taken down
and posted on to 5 Foves

"And there appeared a Great Wonder in heaven; a Woman clothed with the Sun, & the Moon under her feet, & upon her Head a Crown of 12 stars: ²she being with Child cried, travelling in birth, & pained to be delivered. ³there appeared another Wonder in heaven; & behold a Great Red Dragon, having 7 Heads & 10 horns, & seven crowns upon his heads. ⁴Its tail swept .33 of the stars out of the sky & flung them to the Earth. The Dragon stood in front of the Woman who was about to give birth, so that it might devour her Child the moment He was born. ⁵She gave birth to a Son, a Male Child, who "will rule all the Nations with an iron scepter." And her Child was snatched (Raptured) up to God & to His Throne. ⁶ The Woman fled into the wilderness to a place prepared for her by God, where she might be taken care of for 1,260 days." -Revelations 12:1-6

Is the 'Red Dragon' anomaly appearing now in the Constellation Virgo currently the fulfillment of Revelation 12? Could this 'sign' signal the impending Rapture of the Church because of its match to the REVELATION 12 symbolism? Venus is set to cross over/out of the 'womb' of Virgo on OCT 4, 2011 in direct line to the Dragon Face anomaly. Will Elenin, whatever it is have a significant role to play in the fulfillment of Biblical prophecy this coming Jewish Fall Feast of ROSH HASHANA? The purpose of this study/chart is to consider this possible scenario given the prophetic patterns of the imagery throughout past fulfillments & the possible pending one during ROSH HASHANA 2011. It will be taken from a Christian Biblical point of view. FOR ILLUSTRATION PURPOSES ONLY. NO PREDICTIONS ARE MADE.

POINT 1: The REVELATION 12 imagery is prophetic with multiple layers of meaning related to prior, present & future fulfillments of Biblical Prophecy. Several notable interpretations will be highlighted below to show its level of depth in meaning: 1) The Past in Christ Jesus, 2) Present with the Church, 3) the Future with Israel & 4) the astronomical fulfillment in the Constellation Virgo for this time period during ROSH HASHANA 2011. In each case or scenario, regardless of the interpretation, the ultimate stage is a "Rapture" -a snatching away & up!

POINT 2: Cosmologically, the Sun travels the ECLIPIC & every September, it traverses through the Constellation Virgo. The Moon also travels close by. Around every ROSH HASHANAH we have a close configuration of the REVELATION 12 imagery. A more precise one will occur on Rosh HaShana -Sep 17, 2015. What is significantly & eerily different in 2011 is that you have a blocked-out section in Virgo that seemingly configures to appear like a face of a 'Red Dragon.' The screenshot is taken from GOOGLESKY along with the blocked-out patch which can only be seen in 'infrared' mode; looks like a 'Red Dragon' face to me! A more in-dept search on NASA's SkyVIEW telescope will tell what is actually there.

POINT3 : IF the 'Red Dragon' face anomaly is the 'Sign'-as presented in REVELATION 12, that has appeared at this period in time - & you happen to have multiple elements & variables all coming together at the same time: a close approximation of the symbolism, Sun/Moon, Planets in Virgo, a New Moon & an ELENIN Alignment -on the eve of the Jewish Fall Feast of Rosh HaShana Sep 2011 -then it presupposes that an imminent RAPTURE IS also to follow! ELENIN, what ever it is, will be leaving Virgo on the 30th headed to Leo. If the Rapture happens during this 27-30 window, it could lead into the possible 'deception' / Lie that many ascribe ELENIN as some sort of vehicle that removed Christians off the earth.

OBSERVATIONS:

- The Elenin Alignment of Sept 27 is uniquely or coincidentally marked by 1) a New Moon, 2) on the Jewish New Year's Eve, 3) with Planetary Alignment of Earth-Moon-Sun-Mercury-Uranus!
- The area of where you have the possible "Red Dragon" face imagery is blocked out on GoogleSky; viewable alternately through NASA's SkyView virtual telescope online.
- The blocked-out "Red Dragon" Face image can only be picked up with the infrared mode on GoogleSky, thus the actual color of the anomaly is "Red" in the light spectrum.
- The coordinates for the other anomaly, possibly Nemus (Planet X) in Leo is not viewable in detail with NASA's SkyView website as its search function & database is disabled.
- NASA's JPL Small-Body Database for the trajectory of Elenin has changed several times since Sept 2, 2011 so the actual coordinates are approximations & subject to further change.

Hi, I'm Luis Vega. I go by Lu. At our University, I wear multiple hats in providing services to students. I work in Instruction, Program Admissions to EOY, Academic Counseling & as a Statistician. I provide entrance & graduate level testing. I have taught UNIV 102 as well.

For those interested in world events, I love to study patterns in Numbers, End Times, Astronomy & Types and Shadows' from a Biblical World point of view. The LORD in the Bible instructs us to consider such patterns as they may hold a key in what happens in the Past and to what can possibly come again—according to prophecy yet unfulfilled in the Future.

I have several degrees & as a Political Scientist, I especially like to study recent/current events & ones related to Israel, the World & the Heavens. I have traveled to over 18 countries on service projects and/or missions helping with orphanages, Tsunami Relief, construction & Habitat projects. I am amazed at the speed in which world events are heralding the conclusion to the Book of Revelation & Daniel.

Below is I believe the chart Scottie keeps referring to that was off. We were on the same Rapture Forum.

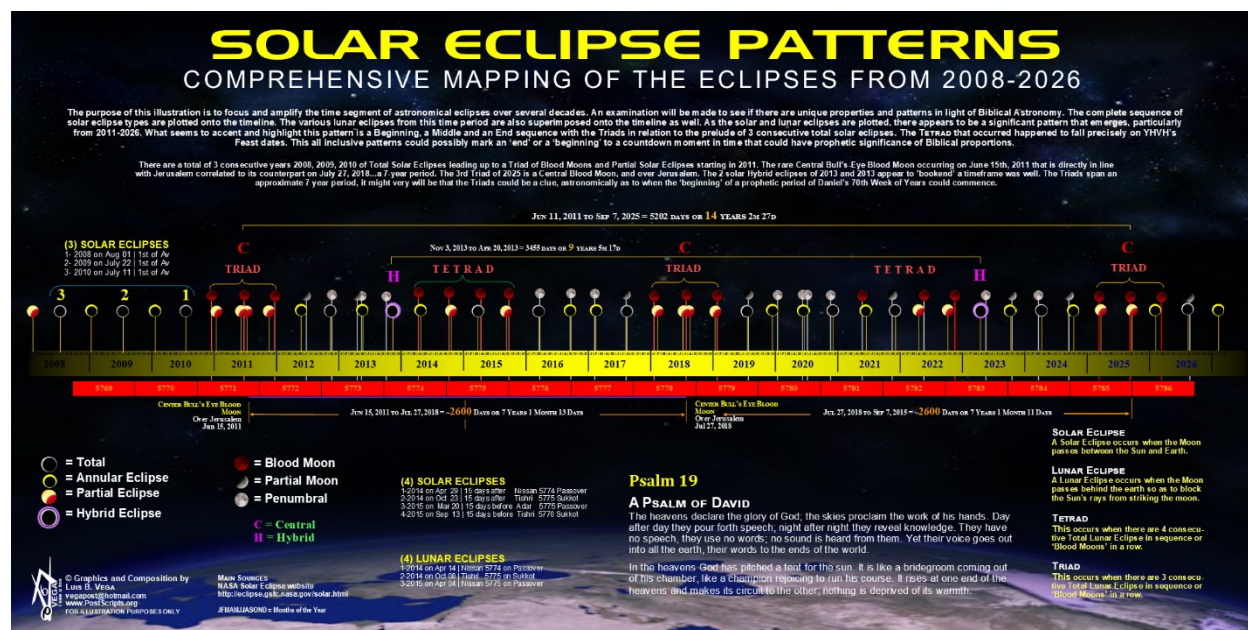

Comparing Revelation 12 Signs in the Tetrad Year to the one occurring in the year 2017.

Eclipse Pattern Chart

The following is a post on a Rapture Blog that one and Scottie Clarke were on and frequently posted. Scottie's Post is a Theory of how he believed back in 2010 how, based on one's Eclipse Pattern Chart released in 2010, of which a Bookend of Triad Blood Moon made for the Year 2017 to be the 'Mid-Point' of the coming 7-Year Tribulation Period.

At that time, one identified the Revelation Sign of 2015 and 2017 to Astronomically Approximate the Book of Revelation. The Eclipse Patterns depicted a 7-Year Period from 2011 to 2025 as a significant Time. This put 2017 as the 'Mid-Point' here the Revelation 12 Sign was then studied. Scottie took this Chart and made subsequent renditions of it and promulgated the Revelation 12 Sign to a Sensational Level.

One had posted both the Revelation 12 Sign Astronomical Approximation for both 2015 and 2017 since 2008 and 2009. See Chart below for the one on September 23, 2017. One surmised that it would be a 'toss-up' between 2015 and 2017 as the Planets Saturn and Jupiter portrayed the coming AntiChrist, i.e., Satan and then the True Christ, Jesus, with the King Planet, Jupiter.

Although one gave 3 Main Interpretations of the possible Prophetic Innuendo, the Narrative that the Sign was the Rapture Event took a Life of its own. One had suggested that the Revelation 12 Sign was just that, a Sign and not the Event. Signs are designed to signal the Event in the Future much like there are Signs for various Exit Off-Ramps on a Freeway or Motorway. The Exit Signs are not the Event themselves.

One suggested that the Sign pertained to Israel, as the most probably Interpretation given the Account in Genesis with the Astronomical Visions of Joseph, his 11 Brothers as Stars and his 2 Parents as the Sun and the Moon, etc. The next suggested Interpretation could be attributed to Mary, who gave Birth to the Messiah, Jesus. And it was and is Jesus that was however, not Raptured but Ascended into Heaven. It is in fact, the same way He and the Bride of Christ will return. Then lastly, it is a Motif of the Church Age 'Virgin' that will 'Birth' the Believers in Jesus, collectively. And it is they that will be Raptured as the Sign foretells. The following is the Chart 1st started in 2008.

How Can We Know What Year Is Half Way Point Of Tribulation! 2014 OR 2015? The Rev. 12 Virgo Sign!!!!

We know for a fact that the two witnesses are killed half way through the tribulation period on the Passover Feast of some year between 2010 to 2017!!

But how do we determine the correct year???

It so happens that the Lord placed a sign in the heavens to help us nail the right year down!!!!

Where is it found!! Right at the crossroads of Revelation 12:1-2!!!

Revelation 11:8 seems to imply that just as these two prophets were killed in Jerusalem it will be during a day of Passover as (ALSO) our Lord Jesus was crucified on!!!

The timeline of 2010-2017 has two years wherein the blood moon eclipses occur on a Passover feast; and they are 2014 and 2015!!!!

Both these years are contenders for the middle of the tribulation period!!!

But we have to cancel one out and depending on which one it is; that one will determine if the timeline is extended by another year; making the timeline go from 2011 to 2018!!!

How do we decide for sure if the halfway point of the tribulation period is on the Passover of 2014(end of trib is 2017) or the Passover of 2015(end of trib is 2018)???

If it is Passover 2014 then the tribulation period will have to start in this year 2010 around the fall Jewish feasts or shortly thereafter for there to be a seven year tribulation that ends on the September 21, 2017 special son of man in the heavens sign date!!

If it is the Passover in 2015 then we have another year of watching and waiting before we see if next year's wheat harvest cycle is the harvest of the church!

How do we find the missing clue???

Well, it so happens that the sign in the heavens in Revelation 12:1-2 gives us a great clue for which year is the right year for the middle of the tribulation to fall on during the right blood moon Passover!!!

Let Me Explain!!

It is clear from the chronological events in Revelation 11-16 that the two witnesses are killed on a Passover feast in Rev. 11:8-14!

Then the seventh trumpet begins shortly thereafter in Revelation 11:15-19; at least it begins to sound by September of that same blood moon year(either 2014 or 2015)!!

Revelation 11:19 has the temple of God open in heaven!

This normally or most always only happens on the day of Atonement on earth(Actually the Day of the Lord is called the Day of Atonement)!!

Revelation 12:1-2 gives us the sign in the heavens of this woman with the moon under her feet and she is clothed with the sun.

Always, and I mean always on the feast of trumpets of every year this exact/or close to exact sign appears in the heavens on or around the feast of trumpets of every year!

So we only have to determine on which year this sign in the heavens fits the bill to a tee; with both the moon and the sun in the same Virgo(woman constellaion)!

Well, I did the homework and I looked up each feast of trumpets each year from 2010, 2011, 2012, 2013, 2014, 2015, and 2016; and it appears that the two most crucial years of 2014 and 2015 are the only ones in particular, that we need to analyse to come up with the correct year for this sign in the heavens, to help us to determine once and for all which timeline is correct; a 2010-2017 timeline or a 2011-2018 timeline!!

1)Sept. 29,2011 feast of trumpets
Saturn,Venus,Mercury is in Virgo(woman)
Moon is under feet of woman
Sun is right under head of woman

This year qualifies for this sign but it is too early for the middle of the tribulation following the Passover midpoint!

2) Sept. 18, 2012 feast of trumpets
Moon is under feet of woman
Sun is in head of woman

This year qualifies for this sign but it is still too early for the middle of the tribulation following a Passover middle point!

3) Sept. 9, 2013
Moon under feet of woman(virgo)
Sept. 17, 2013
Sun in Virgo but not on feast of trumpets
Sept. 4-6, 2013 feast of trumpets

This year does not qualify since the Sun never does reach Virgo(woman) on the feast of trumpets

Sept. 26, 2014 feast of trumpets
Moon is under the feet of woman(virgo)
Sun is in the head of Virgo(woman) on the Feast of Trumpets

****This year does qualify for the sign in the heavens on this Jewish feast of trumpets; plus an eclipse of the Sun is on Sept. 24th.

Sept. 16, 2015 feast of trumpets

Moon is under woman(virgo)

Sun is too far above the head of the woman(virgo) and it does not make it into Virgo on the feast of trumpets/stays on that day in Leo

This year does not fulfill the sign in the heavens for Revelation 12:1-2!!

Oct. 2, 2016 Feast of Trumpets

Moon is under feet of woman(virgo)

Sun is inside Virgo(woman)

This year is too late in the 2010-2017 or 2011-2018 timeline to come during the tribulation period after the mid-point which is on Passover of that year!

In summary we are left with one solid conclusion!!

The year 2014 with the Passover feast blood moon eclipse coming at the time the two witnesses are killed;

Then shortly afterward of the seventh trumpet sounding(Rev. 11:14-19); there is the sign in the heavens on that same year during the feast of trumpets(Rev. 12:1-2); which has to:

1) First, fall exactly on the feast of trumpets on Sept. 26, 2014;

2) Secondly, must have the moon fall exactly under the feet of Virgo(woman)in the constellation in the sky;

3) Thirdly, then must at the same time have the Sun radiating or clothing the constellation star group of Virgo(woman) in the breast region!!!!

This tells me that no sign or set of number of days either in the book of Revelation or Daniel is there by accident!!!

God would not have given us those numbers or day counts if He didn't expect us to come up with an exact timeline or calculation!!!

How do you think the armies of earth are going to know on what day to gather their armies around the battlefield in Israel; if they don't know from the bible when the day of the Lord happens on!!!

From the day the abomination is set up in the temple will be 1,290 days! But the reign of the anti-christ will be 42 months or 1,260 days!!!

The day of the Lord is in the valley of decision(Joel 3)

The day of the Lord is the feast of the Day Of Atonement or Yom Kippur!!!

Ten days after September 21, 2017!!!! Or is it???????

Rapture in the Air Now Blog

Scottie Clarke's Post regarding Lu Vega' Revelation 12 Charts. (Formatted to fit Pages.)

The following is the Transcript of the Post initiated by Scottie Clarke when he and other along with oneself were on the Blog Site. It pertains to prior Studies of the Revelation 12 Sign that I had posted observing the various Planetary Alignments that entered Virgo's 'Womb'. The observation was that such Alignments depicted various renditions of the Revelation 12 Sign, to include that of Saturn, Venus, Mars, Mercury and Jupiter.

What occurred with the Jupiter Alignment was the key in how it distinguished itself from the other Planets in that its Retrograde was to occur precisely in the 'Womb;' of Virgo for approximately 9 months. And how Jupiter was a Motif of the King Planet, or that of the Messiah and thus a more perfect reflection of the Revelation 12 Sign. It was from this point on, that Scottie started to emulate various Charts and Timelines of mine and emphasized the 2017 version of the Revelation Sign. And later made his Charts based off of my work available for Sale through Zazzle.

Luis Vega Has New Chart On The Revelation 12 Heavenly Sign-2017!

Hey everybody I tried to get on Rita Now to see how that latest post of mine was being received-it had some juicy morsels in the message-but then we went back to our Error Pharoah who was again leading our mouse cursors into bondage-- that little error dictator -you know what he did--E-Jipped-me!! Get it -E-Gypted me or he scammed me!!

Well it looks like our brother Luis Vega has outdone himself with a new prophecy or should I say astronomical chart of Revelation 12!! It is a three page chart and I am going to study it closely and pick out the bones and keep the meaty parts of the chicken wings!! That is what we do with everything on the internet--pick out the meat and throw away the bones!! Even my messages have some bones in it--but if you pick my posts apart real good you might find some strands of sinewy meat that might give some protein to your spiritual life!!

My last post was about the prophecy in Isaiah 25 where there is a city destroyed and then there is the rapture verse where the death is conquered by the Lord's victory over the grave-by becoming a grave robber!!! There are FOUR messenger ships of the United States over off the coast of Israel or Syria in the sea and I was wondering if these could be the four angel messengers who are sent out by God to patrol the world in Zechariah 1-4!

These are sent out to take peace from the earth on the 24th day of the sixth month--here we are near the end of the month six on the jewish calendar-looks like they are ready to take peace from the earth right now! Somebody might have to correct me on the month given in Zechariah 1--I cannot confirm what month it was talking about—

I thought I got it right-but maybe I was wrong on the month!! Damascus is to be are rapture sign maybe? We may have been given a seven day warning starting today or tomorrow--this could lead up to the feast of trumpets in seven days--not maybe the rapture but a sign that the rapture is not far off!!

When we will see Damascus in a ruinous heap-then maybe the city will be declared a dead zone--that might be where the city ruined in Isaiah 25 comes into play in bible prophecy!!

This Isaiah 25 is a rapture chapter that gives a possible time marker as to when the grave robber might be coming to raid the tombs of earth and set up his feast on the mountain in Zion with the great multitude --sometime around the war with Syria when its city will become a ruinous heap!!!

I think the song that the land of Israel will sing in Isaiah 26 is what will be sung on a feast of trumpets or Rosh Hashannah--opening the gates is what takes place on this festival!! I cannot completely confirm this statement but I just remember reading that somewhere in my past studies

Where can I get Luis's recent charts? Just let me know and I'll post it here for everyone to see.

Good post, Scott! I'm still looking for a Trumpets rapture.

Re: Luis Vega Has New Chart On The Revelation 12 Heavenly Sign-2017!

Well, not sure about the seven day warning now since it appears the UK is backing down and O is looking like the lone ranger--not seeking constitutional permission and consultation is not going to make this a non-violation of the constitution if he goes ahead with bombing Syria nor is he thinking about the repercussions against Israel if this is indeed done. Is it possible this will go nowhere? I don't know, it is about six days before 5774.

Re: Luis Vega Has New Chart On The Revelation 12 Heavenly Sign-2017!

Lisa I thought you would enjoy that one-its a keeper!! Here is Luis Vegas website-- Luis Vega Eschatology Charts!! Then go down the page to the most recent chart and then -Bam--it's downloaded-don't ask me how to cut and paste it--I will just look stupid trying to put it into computer lingo!!

GoldenKnight--about that seven day warning--it could be that Obama may want to start bombing before the weekend and especially before his meeting with the big 8 with Putin in about a week from now!!

I am thinking that whenever the sign of this war is triggered then we might count seven days for some big event--now what that event is I cannot guess!!

Hey, Scott, thanks for the info on Luis Vega's charts! I will look that up. I've always found his charts very compelling.

Yeah, a 7 day warning would be so nice! (I thought I would give that a two thumbs up!)

Re: Luis Vega Has New Chart On The Revelation 12 Heavenly Sign-2017! (opening the gates is what takes place on this festival!!)

That's a confirmation to me Scott, I had Psalm 118 ringing in my head when I woke up this morning.

It was a part of a short dream I had which I won't get into.. Anyhow reading Psalm 118 verse 20 and 21.

Open to me the gates of righteousness;
I will go through them,
And I will praise the Lord.
This is the gate of the Lord,
Through which the righteous shall enter.

I will praise You,
For You have answered me,
And have become my salvation.

Now I'm really excited

Thamks RitaMay for posting the verses from Psalm 118--those really are uplifting and I see a connection with this context and the first verses in Isaiah 26!!

Lisa thanks for posting the weblink to Luis Vega's 2017 sign chart--this could definitely be the exact time marker for the middle of the tribulation period--this sign in the heavens is real and it is scriptural!!

Re: Luis Vega Has New Chart On The Revelation 12 Heavenly Sign-2017!

You're welcome, Rita May! Yes, I liked the chart, too. It looks like he has a timeframe to the rapture like Scottie did...somewhere between the Fall of 2013 and the Spring of 2014.

Interesting, huh?

Much love to you, dear sister! And those roses are gorgoeus!

P.S. You're welcome, Scott, and thanks for bringing that to our attention!

Scott Clarke's July Video of the Rev 12 Sign occurred after April posting of Luis' work. The following is what he posted in the Description Section of the Video.

VIDEO: The Discovery of the Revelation 12 Sign of September 23, 2017 REVEALED

by Scott Clarke

Published on Jul 30, 2011

In late 2010 long before I had any YouTube subscribers, I discovered this alignment/sign. It was in response to a post in an end-times forum I visited in which someone said that 2011 had the Revelation 12:1 & 2 sign occurring. They posted the screenshot of it from an astronomy program. I did not believe that what they presented in the 2011 screenshot had strong enough evidence to be the actual sign based on the details of the verses, so I did my own research. This is what I found. ... More below!

Once I shared my own screenshots and my explanation of the 2017 sign with the forum users, it got a fair amount attention and people started talking. It took me some time to make a video because I was not a video maker, nor did I have video making software or a powerful enough computer. Eventually in mid summer of 2011 I was able to post this video although not very well produced.

My laptop would barely let both the astronomy software and the screen capture software run simultaneously and even struggled loading jpgs. However, this is where the 2017 sign derived from that is starting to go all over the internet as far as I know. I am not sure I completely understand the meaning or biblical timing of the Revelation 12 sign but I will continue covering this and the blood moons in the years to come. Please subscribe and visit my newest videos! Thanks, Scott

Yet in the 2011 Video, he presumes not to have had a clue of the Revelation 12 Alignment. But it was what began his 'Research'. And it was in the Rapture in the Air Forum that he acknowledged that the Revelation 12 Sign was attributed to Luis Vega. Transcripts in his own words, provide further down in the listings.

Revelation 12 – A Sign in the Heavens

May 24, 2017

The Convicted Mama

'In around 2008 Luis Vega discovered the Revelation 12 sign in the sun, moon, and stars using Stellarium (around the same time that the Blood Moon tetrad of 2014/15 was discovered – although I don't personally believe that carried any significance). News of this hit the internet in 2011, and Scott Clarke took it to a new level in 2012.

He viewed the heavenly alignment every fall for 6000 years, taking screenshots, and September 23, 2017 is the ONLY time this sign occurs within a 6000 year time period. His discussions can be viewed on his YouTube channel – [eternalrhythymflow](https://www.youtube.com/channel/UCv8v8v8v8v8v8v8v8v8v8v8). Many other Bible prophecy watchers have since verified the sign in Stellarium and other astronomy programs as well (from what I understand).'

4-A Little Strength Website by Greg Laurel

The Exit Sign: MAY 2017

<https://www.alittlestrength.com/articles/2017/1705-exit-sign.htm>

'Scottie Clark, although primarily responsible for popularizing it, isn't actually the one who first noticed the alignment of the REV12 sign on 9/23/2017. That distinction belongs to a young man named Luis ("Lu") Vega, who currently works at Sonoma State University in Rohnert Park, California. Lu maintains a website devoted to Bible prophecy at [Postscripts.org](https://www.postscripts.org/), and I had previously heard his name mentioned in regard to being someone who noted the REV12 sign before Scottie Clark began making his YouTube videos.

Out of sheer curiosity, I recently contacted Lu and asked him straight out when he first noticed the coming fulfillment of the REV12 sign, and he graciously took the time to respond to my email. He told me he first noted the alignment in 2008, but studied it privately for a couple of years before the information began to make its way into the public arena in 2011. What are the odds: It didn't occur to me at first, but while I was writing this article it finally hit me like a bullet train.

OK, so Lu Vega first spotted the coming fulfillment of the REV12 sign back in 2008. Pop quiz: What other major astronomical sign did God reveal at the same time? OK, time's up...thank you for playing. Mark Biltz first spotted the Blood Moons of 2014–2015 in...wait for it...2008. Yeah, I know—so what? Let this sink in for a moment. That means God revealed two of the most stunning astronomical end-time signs at the same time:

one a sign primarily geared toward Israel that they are soon to be plunged into the Tribulation (and revealed to a man who heads up a Hebrew Roots ministry, no less), and the other a sign primarily geared toward the Church that tells us we're soon to be rescued from it. Go ahead—look me in the eyes and blow it off as a coincidence.'

The Sign of Revelation 12

New Book "The Final Harbinger" based on over 3 Years of Study

June 3, 2017

<https://www.youtube.com/watch?v=KZdo68ReusI>

'I understand where you are coming from, no, I am in no way claiming to be "the first" to discover this. But as I have posted before: Not taking anything away from Scottie, he is a great guy and a brother in Christ. We have spoken on the phone for several hours. It's not about "who" discovered the sign. It's about Jesus Christ. My book, The Final Harbinger, contains 18 chapters. Only 2 of them specifically concern the Sign of Revelation 12 and the man-child. The rest are about other signs and prophecies that confirm it. Kim Clement Prophecy | April 4, 2009 |

<http://www.kimclement.com/prophecyview.php?id=267&search=> William Tapley | April 7, 2011 |
<https://www.youtube.com/watch?v=W5ZTvwago38&t=604s> Scott Clarke | July 30, 2011 |
<https://www.youtube.com/watch?v=Rvkzpy7tOsQ&t=271s> And there are others such as Daniel Matson and Luis Vega.

Not everyone is on YouTube making videos. In fact, Scottie references Luis Vega's work in this 6/14/2011 video | <https://www.youtube.com/watch?v=mQivKh63WaQ&t=96s> Many have been aware of and have been studying this sign for years, myself included.

God called some to make videos, some to write books. Not everyone knows each other either just as there were OT prophets who prophesied about the same topics and lived hundreds of years apart. I first learned about Stellarium from a co-worker and Mark Biltz in 2013. I did not know any of the people or prophecies above at that time. Jesus said the Holy Spirit would "show us things to come." |

<https://www.youtube.com/watch?v=OxNjTveS8ys> (appr. 58:00). After 1 to 1.5 years of study, I first shared about this sign at a prophecy conference in October 5, 2015 |

https://www.youtube.com/watch?v=ko_YAqjr_HQ (appr. 51:00).

I started writing The Final Harbinger in a hotel room in Atlanta in Jan. 2015. Based on a vision I had on March 23, 2017 at 3:30 am, which led me write two entirely new chapters, The Final Harbinger is now complete.

[RonKris4](#)

Thank you Scott Clarke for discovering this in 2012 and sharing with the world. Now there are ministries built around the discovery. <https://www.youtube.com/user/eternalrhythmflow>

[Revelation 12 Ministries](#)

Yes, Luis Vega's research goes WAAAY back. And I bet not many have seen this either (April, 2011): <https://www.youtube.com/watch?v=W5ZTvwago38&t=600s> But it really doesn't matter "who" discovered the sign (or shouldn't). Jesus said the Holy Spirit will show us things to come. When I began studying and preaching on this back in 2014 (from studying the blood moons), I did not know of Scottie Clark or any of the others.

That's like saying there was only one real OT prophet. Multiple prophets wrote about the same topics - some knew each other, some did not - some lived hundreds of years apart. Don't put God in a box (or the Holy Spirit for that matter).

https://www.youtube.com/watch?v=ko_YAgjr_HQ I am tired of all of the prideful, negative comments (not this post but others) by fellow Christians when the real focus needs to be Christ and sharing the Gospel. Not much time left.'

Revelation 12 Sign

Last updated on **25 August 2017**

Overview

'Luis ("Lu") Vega discovered the astronomical alignment in 2008 and wrote about it on his website and then in 2011 Scott Clarke from ERF Ministries began popularizing the alignment on YouTube.

On April 7, 2011, William Tapley's channel ThirdEagleBooks published the first video about the alignment entitled "Stellarium" giving the 2017 date of the sign and explaining how the planetary alignment that year matched the text of Revelation 12 better than a 2011 alignments, which he said three earlier videos from other people had mentioned.

A few months later, on July 30, 2011, Scott Clarke posted a video on YouTube describing the alignment, which some people worldwide have now come to believe is the Revelation 12 Sign. In 2012 [Unsealed World News](#) suggested that the purported sign might be connected to the [rapture](#) of the Church, though they have repeatedly stated that the exact date of the rapture is unknown and might happen sometime before, on, or after September 23rd.'

Are the heavens announcing the start of the Apocalypse?

A study using Luis Vega charts

Aug 29, 2013

'There are two posts today in <http://www.fivedoves.com> that are very significant in the determination of the start of the day of the Lord or the seven year Tribulation called the Apocalypse.

The first is an excellent article by Mr. Luis Vega with a link to some charts he produced of the heavens and the link to the sign of the woman and the dragon shown in Rev :12. The other is by BG Ellis. The links to both are given below.

Luis Vega (29 Aug 2013)

“Rev 12 Heavenly Sign: 2017 – the Coming Middle-East & Celestial Wars“

<http://www.fivedoves.com/letters/aug2013/luisv829.htm>

I will try to explain what I see in the post of Luis Vega and the video of Gallups.

First I must say that I believe that the 70th week of years of the prophet Daniel 9:27 and the span of time from Rev 6 to 19 are the same.

I also believe that the seven seals, seven trumpets and seven bowls are in series and that none occur in parallel or in any combination that the readers imagination wants to put it. The word is precise and orderly and rev12 does not come at the same time or before rev7.

At Rev 11 we see the role of the two witnesses and it says that their testimony is 1260 days long and they are killed, remain dead 3 1/2 days and are resurrected, at Rev11:4 it says this ends the second woe or 6th trumpet. <http://biblehub.com/niv/revelation/11.htm>

Next we see the 7th trumpet sound and the coming of the seven cups of wrath.

At this point with Rev12 the woman and the dragon are shown. The woman was pregnant and the dragon was ready to devour the child. On verse 6 the woman fled to the desert for 1260 days to be protected. Rev 13 is a continuation of the narrative and shows the dragon coming out of the sea and in Rev13:6,14 was given 3 1/2 Years to exercise its authority.

<http://biblehub.com/niv/revelation/12.htm>

From these two chapters we see the same period of time 3 1/2 years that are describing the same period one describes what will happen to Israel at the same time that the other describes the dragon doing his thing in the rest of the world. This is to me the great tribulation.

Going back from the description of the woman in the heavens a period of 1260 days we can determine the start of this seven year time period, or the beginning of the ministry of the two witnesses of Rev 11. The 3 1/2 days that they are dead could be a period between the two halves or as I am more inclined to think include in the last 3 1/2 years.

In Luis Vega's article and charts he gives the most probable date for the sign of the virgin and dragon to appear as September 23, 2017. Going back 1260 days from that date

<http://www.timeanddate.com/date/dateadded.html?m1=9&d1=23&y1=2017&type=add&ay=&am=&aw=&ad=1260>

we get the date April 12, 2014 which is 3 days before the blood moon lunar eclipse that falls on Passover April 15, 2014, the first of the moon tetrads. It is important to understand also that at the start of the tribulation the years will revert back to 360 days in a year so the calendar dates will not coincide any more with the ones we have now. But the position of the constellations will keep their order and each will align with 30 days. The Rapture of the church in my opinion could occur at any time before the start of the Tribulations. It could well be today and the world would still have a few months to the Tribulation. All the numbers are based on the date of the virgin of Rev 12 in the sky and as such it could be on a different year and the scenario be off. Nando'

'Years later, Greg Lauer posted about the astronomical alignment and references Scott Clarke's reports on his website dated May 2017 that Lu Vega claimed that he discovered the sign about 2008 but told no one until after several others posted about it in 2011. [6].'

Sweet Hour of Prayer

'What that suggests to me is that people who believe we will know the date of the Rapture in advance may be right; but if we do, it will not be because any of us steely-eyed missile men figured it out. It will only be because God revealed it to us. Why? Because it's not ours to figure out—it's His to reveal.

Think about it. We know the two great signs of Revelation 12:1–5 herald the season of the Rapture. I see no compelling reason to think it pins down the day, but we at least know it's the season, right? But how do we know? Because Lu Vega is so sharp and observant? Because Scottie Clarke made some kickin' YouTube videos about it? NO! We know it for one reason and one reason alone: God has revealed it, and He revealed it to the right people, at the right time, and in the right way so that it could be revealed to all who have ears to hear.

*And that leaves us right where God wants us:
Patiently watching and waiting to see what He will reveal next.'*

So, as to who ‘Discovered’ the Revelation 12 or other possible Prophetic Factors, one is not interested and cannot defend that as it is not what one is about. But, when it comes to one’s Research and Charts, then yes, one does take it seriously and seeks to maintain a degree of Credibility in an ‘Ocean of Prophetic Insanity’ at times of what is put out there in the ‘Name of Prophecy’.

And case in point was how because one did believe the Rapture event itself was NOT going to take place on September 23, 2017, one had to keep a distance. one kept arguing that a ‘Sign’ is not the ‘Event’. It was of a Rapture Picture for sure, the Rapture of the Bride of Christ. But that it would be coming thereafter. Timing? Unknown but within a ‘Prophetic Self Life’ as JD Farag has stated and one would agree.

So, this disposition and objection of mine prevented one from being ‘invited’ to the Revelation 12 Rapture Table, as it took on a life of its own and a ‘Cult Following’. But one can say, based on the presented Evidence that it was because of one’s Charts and Research into the Revelation 12 Sign that got Scottie Clarke going and perhaps it had to take someone like him to deliver the ‘Sign’ to the World. But one does think the Sign was and is one of the Greatest Signs given at the end, because we are at the end.

Finding the Great Sign

May 5, 2017

<https://redmoonrapture.org/2017/05/24/revelation-12-a-sign-in-the-heavens-september-2017/>

‘The Revelation 12 sign was first discovered by Luis Vega in 2008 using astronomy software. This discovery came on the heels of Rick Larson’s 2007 documentary entitled [The Star of Bethlehem](#), which used astronomy software to locate the stellar sign heralding Jesus’ first coming. The Star of Bethlehem documentary sparked a new interest in looking for prophetic signs in the heavens. Although there were several prophetic watchmen who looked into the Revelation 12 sign before him, Scottie Clarke has become somewhat of a poster child for this great sign over the last 6 years.

His discussions can be viewed on his YouTube channel – [eternalrhythymflow](https://www.youtube.com/channel/UCv8v8v8v8v8v8v8v8v8v8v8). Many other Bible prophecy watchmen have since verified the sign in Stellarium and other astronomy programs as well. Today, thousands (if not tens or hundreds of thousands) of people have verified the Revelation 12 sign which will occur on September 23, 2017. Rev12Blogspot has written up [detailed instructions](#) on how to view it for yourself, if you would like to check it out.'

Escape All These Things

Revelation 12 - September 2017 Theory

September 22, 2017

<https://escapeallthesethings.com/sept-2017-revelation-12/>

'Although it does not give credit, the article referenced above is just another take on previous Revelation 12 speculation. I first saw it in a Scottie Clarke video in 2013 on his "Eternal Rhythm and Flow" YouTube channel and website. (I was informed by Mark Chiswell that Luis Vega put out the theory earlier.)

Whoever originated the theory, what it gets right is that the constellation of Virgo (the virgin) fits the heavenly woman spoken of in Revelation 12'.

12. William Tapley

The following is a Video from William Tapley, a Catholic Mystic, in one's Estimation that claims he exclusively 'Discovered' the Revelation 12 Sign and posted his Video on April 7, 2011. In the Discourse of this response to Scott Clarke and Toney, he and his Supporter had asked Scott to provide the Sources he mentioned he had acquired to post his claims before Tapley. However Tapley surmised that the Revelation 12 Sign was not about the Rapture, but rather Trump and some Orchestrated Event perpetrated by the Vatican.

Tapley insists he be given the Credit for 'Discovering' the Sign so as to then have legitimacy in propagating his version of Interpretation as he has stated. One had followed-up with a Critique of both camps that the Revelation Sign on September 23, 2017 was not about the Rapture occurring there and then. However, one did not want to be associated with either Camp or have one's Name be mentioned by the Lips of this Mystic.

One chose to sidestep the quarreling among 'Who Discovered the Revelation 12 Sign' as an example of Biblical Immaturity. Nor was it about Trump or some Vatican Plot. The Sign is about the Remnant of Israel that will flee to the Wilderness prepared by Christ as the Text plainly states will occur at the Mid-Point of the 7-Year Tribulation Period to come. It is about the Sons of Jacob and the 'Trouble' it will find itself in for having made a 'Covenant with Death', etc.

Scott replies that the Sources, the Pictures, Texts and Links were posted to a Forum that he no longer a Member and could not get access to. All he had to say or mention was one's Name, Luis B. Vega to do a Google Search: 'Revelation 12 Sign Luis Vega' for those Images, Texts and Links, which have been provided in this Revelation 12 Historical Summary above. If one does such a Google Search, one will see a Plethora of one's Research.

Who Really Discovered the Revelation 12 Sign?

<https://www.youtube.com/watch?v=WKaHPcQpNRg>

At the 3 Minutire Marker of the Discussion:

...And here is what TheRocketMan said: "After my post was censored, I posted on the Scott Clarke YouTube Channel on Video titled. 'The Passover Sign Three Epic Heavenly Signs of 2017'. Scott Clarke also ended-up blocking my Comments from Public View". These People have something to hide. "Please see the Exchange below". So now, this is very interesting. Listen to what Scott Clarke says to RocketMan to try to justify his Claim. Here is what RocketMan says: "This Revelation 12 Sign was found on April 7th, 2011 on the ThirdEagleBooks YouTube Channel.

Please watch his video titled "Stellarium". And here is what Scott Clarke responded: "The Discovery was posted Online in Text and Photo form before any Videos were made. He thinks he is God's Co-Prophet and the Third Eagle of the Apocalypse. Consider the source". So, Scott instead of responding attacks me. That is a sure Sign of someone who is not telling the Truth. And the RocketMan asks the Normal Question: "Scotty, please provide a Date and Links". Scott Clarke says:

"I am not part of those Forums any longer and cannot get in, but there is an Old Video in my 'Signs in the Heavens' Playlist. In the end, you can believe whatever you like. I have told the Story of Discovery countless times, over the Years and have stuck with the Research, as I have been led. Let this not become a Point of Contention". And the RocketMan repeats, he says: "Scotty, please provide the Title of your Old Video in your Signs in the Heavens Playlist and the Name of the Forums with Links you are referring to". Well, Scott Clarke Blocked RocketMan and the Reason is because he cannot provide the Answers to those Questions.

Grande Ubercannonballs, As you are so quick to remind us that the truth shall set us free, here is some truth for you. If you had taken the time to study Scottie Clark's videos on the revelation sign you would know that he credits picking up on another persons work from a few years earlier, before either himself or William published anything on the Rev.12 star sign.

Whether William Tapley found the sign totally from scratch on his own with not seeing anyone elses previous attempts, we only have his word on that. But neither William or Scottie were the first to be using Stellarium to find it and at least Scottie gives credit to that. This kind of arguing is ridiculous and reminds me of 1 Corinthians 3:4 For when one of you says, "I follow Paul," and another, "I follow Apollos," - just cut it out.

[Helena Lehman](#)

Just an FYI, but I published a book entitled "The Language of God in Prophecy" in 2006 that discussed the Revelation 12 Sign in 2017. But I got some of my information from a writer named Daniel Matson, who wrote his book on the Signs in the Heavens the year prior. So I think Daniel and I should get kudos, him for discovering and me for elaborating even further upon the Revelation 12 Sign long before Scotty Clark, or William Tapley or anybody else on YouTube.

[thirdeaglebooks](#)

How can I get a hold of Matson's book? I noticed in your video that you mention the August 2017 solar eclipse but not the Revelation 12 sign on September 23, 2017. The two events are not the same.

[Edieb4 PREZ](#)

You need to check out the work of Luis Vega. He has also done extensive work on this topic and others with charts, essays that go back to 2008 and also has written a book on the Virgo Sign. www.PostScripts.org

[Lilli pod](#)

He does say he probably wasn't the first to discover it.

[TheEndWay](#)

that is true lilli... I have heard scott say others have discovered this sign... but he should acknowledge them and not dismiss comments from others that have discussed it before him... I think that would be fair...

[All American Redneck](#)

Looks like Scottie Clarke is mentioned as the first who reveals The revelation 12 sign. Read the article in Hamricks video here. It reveals Scottie as the possible original source dated in January 2011. You responded to me you'd rightfully credit Scottie if it was shown he had posted the information before he or you had created a video. This article mentions Scottie as the original source in January of 2011, three months before your video. Time to fess up, and give credit where credit is do, you were not the first Tapley, get over yourself! <https://www.youtube.com/watch?v=ht8tXrYYIJ0>

[thirdeaglebooks](#)

Sorry, but Scott Clarke, Hamrick, and Fristey are all wrong; they have you completely snookered. Here is my response: <https://www.youtube.com/watch?v=opzcauokxVA&t=25s>

Who Discovered Revelation 12 Sign? | William Tapley v. Scottie Clarke | Evidence!
Published on Jun 13, 2017

While William Tapley continues to claim he discovered the Revelation 12 sign in April of 2011 having posted his video 3 months prior to Scottie Clarke's first video I wonder if evidence can be found to prove who is telling the truth.

Brian Bradley

I was a member of RITA, when Scottie originally brought it up. That's where I originally know him from. But I don't remember exactly when his discovery was. I'm trying to check the archives, now.

HamrickCE

I know people would love to see that. From the comments I have gotten today on this video.

Brian Bradley

Here is a link to a page dated July 23 2010. He is laying forth some theories which have since proven to be false. But he is clearly referring to the Rev 12 sign in 2017. But there were two "Scotts", on this forum. I don't remember if this was "Scarby" Scott, or Scottie Clarke. Either way, the date is July 2010. Funny, we've learned so much since then.

Thanks for this... it certainly seems to be the start of where we are today. Scottie did say he only found it...
