U13A v Hillcrest A	<b>WON</b> 16 - 11
U13B v Dorking B	<b>WON</b> 19 - 4
U13B v Hillcrest B	<b>WON</b> 14 - 7

#### U12 Match Reports – Lizzy

A great day for the U12's today. The A team started with an easy 33-4 win against bottom of the table Dorking but then went on to play a very good Hillcrest team who were just too strong and beat us 21-17. We were back on form for the final game against Whitton and won 20-6. We finished in a credible 4th place (out of 10) this season and have made great progress. All 3 teams that finished above us beat us by only a handful of goals, so with a little bit more consistency I'm sure we will be competing for a medal position next year. Star Player today goes to Charlotte Tame for outstanding performances in the two games that she played. Special mention should also go to Freya Taylor, Beth Brewer, Amelia Feltham and Caroline Webb who all played up from the B team and played superbly. Well done girls.

The B team needed to win all their games today to be in contention for a medal position and they didn't disappoint. Dorking were first up and some superb shooting saw us win the match 27-3. The next game was tougher against a good Focus team but the girls played brilliantly and won the match 11-6. We were then awarded the points for our final game as Whitton were unfortunately unable to field a team. This meant that we were relying on Crystal Palace beating Focus to secure us a third place finish. It was an excruciatingly close game but Palace didn't let us down and the B team were delighted to finally pick up their 3rd place medals. The performance today was the best that I have seen the B team play all season and they certainly did it with smiles on their faces. Lovely to see. My star player is Imogen Coldicott for a superbly consistent shooting performance. Well done to all the girls and thank you to the parents of this team who were loud and enthusiastic as usual.

#### U13 Match Reports - Jane

Wow what a day! Really great games against good opposition, although I would have enjoyed watching them more had I known the results in advance!

The A team played fabulous netball. Thank you to Izzy who played out of position for both matches today – although you would never have known it. Some superb defence all the way

down the court. Lovely to see the girls putting into practice what they have learned in training. No Star Player today because it was a complete team performance. The girls came 3rd in the League and won Bronze medals. Well deserved.

I could write exactly the same match report for the B team. Again, superb performances by the whole team and it was impossible to choose a Star Player. They have worked incredibly hard all season and they truly deserved their Silver medals today. There were some outstanding individual performances and a great team spirit as usual.

**Very very proud !!!**

## **KINGSTON DISTRICT NETBALL LEAGUE**

AAS ADULTS v Tiffin C

LOST 46 - 57

Fabulous game today against top of the division Tiffin. We lost, but what a great match. Our ladies/girls were brilliant and were neck and neck in every quarter apart from the third quarter, where the hail storm seemed to throw us off our stride. They battled the elements and gave Tiffin a real scare. Ruth played fantastically at GA, not bad for a GD/GK! **Sophie** got player of the match from the opposition AGAIN for another superb performance at C! My player of the match was **Jonelle**, who has blossomed into a really accomplished defender, with great control and timing. Really proud of everyone's development and performance today. Well done ladies!

## **THE WEEK AHEAD**
