Snow Removal and Parking

The Town of Preeceville would like to remind you to avoid shovelling or ploughing your snow on to the streets, back alleys, and sidewalks. Failure to follow this bylaw could result in charges being invoiced for removal. Piling snow on these areas causes extra work for the snow removal crew which delays other streets from getting cleared. Snow piles also become packed and freeze, which may cause snow removal equipment damage. Also, please be reminded that, vehicles are not to be parked on the street for more than a 24-hour period and vehicles are not to be parked so that they are obstructing a sidewalk, as this can also obstruct and reduce snow removal. The public's cooperation regarding snow removal and parking is greatly appreciated.
