Message from the President

SDCWGA just held two fun events. The 2021 County Classic at Oaks North Golf Course on April 19th proved to be demanding for the 2-person teams. The first 9-hole round was the Scramble, then players switched to Better Ball of Partners for the second 9 hole round, and finally finished up the 27-hole event with Alternate Shots. These formats gave partners an opportunity, in the time of the pandemic, to network with another team and have some fun while supporting her partner.

Another fun event was the 2-Day Desert Event in an individual Stableford format at Desert Falls Country Club. There were short and long par 3's and par 5's, water holes, holes going to the right and left, interestingly placed bunkers, hills, and risk and reward holes. Some of the greens were quite large and some quite small making the hole placements challenging yet rewarding. Despite the heat, the players charged through the course. Some probably wanted their golf balls back from all that water though.

The results for both tournaments are listed on page 3 and can also be found, along with information on future tournaments, on the SDCWGA website (SDCWGA.net).

UP NEXT

The next event is on June 21st at a popular venue—The Crossings. Sign-up for your foursome starts May 17th. Please pick your team and plan to join us at a fun event!!

RULES CORNER May 2021

Recently we have explored the recent Rules changes of 2019. However, one issue comes up so often that I think it is worth taking a detour for this. The issue involves when and how to take a **provisional shot**.

Rule 18.3 states that if a ball might be **lost outside a penalty area** or might be out of bounds a provisional ball may be played under penalty of stroke and distance by playing a second ball from the original spot and taking one penalty stroke. This applies even if the ball might be lost in a penalty area but also might be lost somewhere else on the course. If the original ball is found within 3 minutes and is in bounds it is still the ball in play. However, if not found or found out of bounds the provisional ball becomes the ball in play.

Here is the kicker: But if the player is aware that the only possible place the original ball could be lost is in a penalty area, **a provisional ball is not allowed** and if one plays a ball from where the previous stroke was made that ball then becomes **the ball in play** under penalty of stroke and distance. Even if the original ball is found and is playable, it is no longer the ball in play.

The Club can make an exception to this and allow a provisional in a certain situation (often where it is difficult to see whether or not a ball might be in a penalty area) but this must be a specific **local rule**. **(Model Local Rule B-3.)**

All monthly rules reviews will be available on the SDCWGA website.

FIELD DAY RESULTS
