September 2015

Dear PVDAS Member,

I hope this finds you enjoying the beginning of the fall season and all that it brings! It's always a busy time after a break during the summer. We have a busy fall planned, including a Paints Uncorked Fundraiser – should be fun – Thursday, November 19th at BJ's Rancho Cucamonga!

I am excited about our upcoming Education Day – two great speakers on interesting topics. Ms. Douglas will be speaking to us on Mandated Reporting / Child Abuse and Dr. Solanki from Veteran's Hospital LA will share his insight about Periodontal Plastic Surgery/Implant Planning. We'll be meeting at Carrington College Pomona, which is freeway close for all. We will also be supporting Operation Gratitude at this meeting, so bring your favorite candy to share with our troops overseas – Come in costume and PVDAS will donate an additional \$10!!

Your participation in the Society is valued and appreciated! I hope you join us on October 24th!

Student Event

As a result of recommendations from PVDAS Student Liaisons Karla Hernandez and Jennifer Dalool, we will be hosting a student event early 2016. In order to help our student members prepare themselves for their transition into professional life, we will host a day devoted to helping students get ready for their job search. It will include job interviewing and preparation, developing a career portfolio and dressing for success . . . as well as some food and fun! Stay tuned for more information!

DARW 2016

Dental Assistants Recognition Week (DARW) is scheduled for March 6- 12, 2016. Dental Assistants will be celebrated for the variety of duties they perform. This year's theme, "*Dental Assisting: Embracing the Changes of the Profession*", acknowledges the growing importance of dentistry's role in health care and the responsibilities of dental assistants.

How will you / your office be celebrating? We'd love to know what you do! Send a brief summary and/or picture to cgpohl55@gmail.com for posting on the website and/or Facebook page.

Care Harbor LA /

CDA and CDA Foundation host CDA Cares, a program that allows volunteers to provide dental services at no charge to more than 2,000 patients at each event. They need volunteer dental and health professionals. Additionally, community volunteers are needed to assist with registration, clinic setup, data entry, translating and more. Patients will receive cleanings, fillings, extractions, oral health education and assistance in finding a dentist for follow-up care. CDA Cares will be at the Pomona Fairplex on October 15-18, 2015.
