Art Room and Art Club News

By K. Torgerson

Happy May!! The Art Room has been very busy this year! We have had many projects to do and they have turned out amazing! Everyone will have a chance to come see all that we have been doing. We will be having our annual Art Show and Auction, Tuesday May 21. There will be many things to see, and even a few pieces to bid on and buy. If you've never been able to make it to the Show and Auction, this should be the year!! Come to the open house to look from 5:00 pm to 7:00 pm. The auction begins at 7:00 pm. This is your chance to purchase an amazing piece of art, and to support the Scobey Schools Art program. We use the money we make to help buy supplies, and to help fund the Art Club trip.

Art Club is also having an Elementary Paint session to be held May 10 from 1:00 pm to 3:00 pm. The elementary students will be able to come and paint with Art Club students. This should be a lot of fun. I know the girls and I are all looking forward to painting with the kids. We have 41 elementary students signed up, so it should be a very busy and productive painting day! Thank you for supporting our Art program and Art Club. We appreciate all you do!

JMG (Jobs for Montana's Graduates) Leadership Conference

By C. Wittak

Three students attended the Ignite Conference in Helena on April 23-25. They travelled with Culbertson and Glasgow Students, competing in a variety of events. Geni Poitra placed 1st in 12th Grade Career Exploration, Noah Perry placed 2nd in 12th Grade Critical Thinking and Leah Ridley received an Honorable Mention for her JMG Creative Poster.

Students toured the Havre Beneath the Streets, enjoying the stories of history and how they survived the fire in downtown Havre. They went on worksite tours to ROTC, Boeing, Fire and Rescue, Air Traffic Control and Montana Department of Transportation learning about the various industries and career opportunities.

The students had a chance to tour the Capitol Building, meeting up with Marilyn Miller, who has worked in the building since 1960 and she led us on a quick tour of the Senate Room. The students enjoyed seeing Downtown Helena and a quick tour of the Helena College also.

Scobey students continue to represent their school and community well! Congrats to the students!
