

A Shooters Christmas Prayer

May Your Eyes Be Clear And Sharp.

May Your Position And A Steady Hold Be Effortless And Strong.

May Your Mind Be A Deep, Calm Pool At The Instant You Break Your Shot.

May Your Triggers Always Maintain Their Adjustment.

May You Go To The Firing Line With Confidence And Remove Your Equipment In Satisfaction.

May You Be Blessed With The Respect And Approbation Of Your Fellow Competitors.

May You Rest Well, Knowing That The Heritage And Legacies Of Shooting Sport Will Be There For Those Just Starting Out.

And May Your firearm Never Show Rust, and Throw “Unexplained Flyers”!
Shoot Well and Shoot Often.

We at the Hays City Sportsmen's Club would like to wish everyone a Merry Christmas and Happy New year.
