

2018 WINTER SHOW Cast

This year we have a NEW story with new cast music & choreography!!

Story overview:

Siblings Lars and Elise are royalty in the Land of Wondros. They go for a walk and get lost. They encounter magical forest fairies, but there are evil fairies lurking. The evil fairies want to rule the Land of Wondros and need to keep Lars and Elise from returning so they can inherit the kingdom. Magical lands, mischievous imps, and both fun and challenging adventures entail.

Casting:

Casting is based on specific criteria, including but not limited to the following:

1. Audition
2. Costumes sizing and availability
3. Show schedule
4. Hours of dance taken per week, specifically ballet as most roles highlight ballet capabilities
5. Actual attendance in weekly classes
6. Effort and talent shown in class
7. Age (only dancers in grade 6-12 classes eligible for parts)

To accept your role you need to do nothing, but are REQUIRED to be at ALL weekend rehearsals. I will adjust schedule if I don't need certain parts. Chef, Christmas Tree, Ellie Elephant, Frosty, and Rudy Reindeer are expected to attend ONE of the two rehearsals for that age group on Saturdays. The later weekend is best, but you can choose according to your schedule. Dancer can go back and forth between rehearsals if it conflicts with dancers' age group. I will email that information to those cast members separately.

Any special costuming needs for the cast will also be emailed separately.

Casting is determined by Juli Mickelson and her staff. Casting is final and is not up for discussion. Do not contact anyone at Dance Endeavors to discuss casting. I believe all parts are integral to the show and equally important. Please help your dancer to be a professional and handle their casting with grace and dignity. They are ALL talented dancers!

I am so excited!! The dancers did a stellar job at auditions. I really had great dancers to work with on casting. They are all superstars in my eyes!! I know all the shows will be AWESOME!!

Congratulations Dancers!!
