Just Love!

Call us if you are going to  
**Use Alone!**  
**1-800-484-3731**

One of our operators will stay on the line with you while you use, to try and ensure that you don't die from fentanyl poisoning!

## HOW IT WORKS

When you call, one of our volunteer operators will answer your call. You will be asked for your first name, exact location (down to the exact room you're in), and the phone number you're calling from.

After you've given us the required information, you can go ahead and use your substance. We ask that you let us know when you're done. If you stop responding afterward, we will notify emergency services of a "unresponsive person" at the location you've given us.

All calls are confidential. We do not store your personal information anywhere, and we never share your info with anyone other than EMS if we have to call them. So far we've called EMS for 35 callers, and not once has anyone been charged with anything!

### CONFIDENTIAL

We don't share your personal info with anyone other than EMS, if we have to call them. We are NOT affiliated with any law enforcement agency, or treatment center!

### TREATMENT RESOURCES

If you are interested in getting help, we have a large list of free/low cost, and state funded facilities throughout the country. We will never push this on you though.

### HARM REDUCTION RESOURCES

If you need Narcan, or access to safe supplies, we can assist you with locating resources within your state.

**NO JUDGEMENT, NO SHAMING, NO PREACHING @ YOU TO QUIT, JUST LOVE!**
