## Message from Midwestern Region Membership Chair, Roseanne Horne

It was great to see so many Soroptimist faces on the virtual District meetings in October. If you couldn't be there "in person", all the presentations are available to view at your convenience on the Midwestern Region website.

Below are the updates I presented on the membership numbers for the Midwestern Region:

### Midwestern Region Membership Totals:

**Number of Clubs: 30**

**Number of Members: 673**

**Clubs with under 12 members: 4**

**Newly Chartered: 1 (Hines Park, Michigan)**

**Clubs Disbanded: 2 (Greater Detroit, Michigan) and (Tipp City/Miami Valley, Ohio)**

Upon viewing these numbers, it is clear that our membership is declining. The region has lost 36 members since last year. What can we do about this? Invite family and friends to your next club meeting or activity (even if it is on Zoom!) Ask if they want to join! Keep current members engaged! Check in on them, send notes or emails, make phone calls. Retain our members by continuing to carry out the Soroptimist mission of helping women and girls.

These are different times and many things have changed, however now more than ever, women and girls need our help to continue their education, find a job or overcome a difficult situation. Please continue to support your club, our region and SIA in accomplishing our Mission.

## Learn more about the BIG Picture – Listen to Soroptimist International Webinars

Once a month SI President Sharon Fisher leads a webinar covering the 5 issues on the "Road to Equality" or updates about club projects throughout the Federations.

The webinars are one hour and usually consist of an International overview, an individual example and an "Expert" working directly in the chosen field.

Some of the webinar topics have covered, domestic violence, trafficking and FGM (now they are replacing the word mutilation with cutting), etc.

You can listen to these past webinars by visiting [Soroptimistinternational.org](http://Soroptimistinternational.org) and search for Webinars.

We have had very high participation from our Midwestern Region members. If you would like to register for the monthly webinars contact:

### SI Bloomington-Normal Delivers Diversity Books to School District

In October 2020, Soroptimist International of Bloomington Normal completed delivery of books to District 87 Pre-Kindergarten-Elementary School Libraries celebrating diversity and modeling kindness.

Soroptimists' Karen Fleming and Diana Lewis learned of a need for books for PK-elementary students reflecting the racial diversity in the classroom. Teaming up with a local retired school librarian, the Bloomington-Normal Club raised \$1000 to purchase 93 books.

Soroptimist Lina Wombacher designed a Soroptimist label that was placed in the donated books. One of the teachers noted "These books support the state Social Emotional Learning standards and can also be used for literature discussions of text-to-text, text-to-self and text-to-world connections."

Letters were received from principals, library media specialists, and teachers thanking Soroptimists for this acquisition.

At the conclusion of one letter, was a quote by Maya Angelou . . .

"In diversity, there is beauty and there is strength."

Soroptimists Lina Wombacher and Diana Lewis with 2 of the 93 books in which Soroptimist labels were placed.

## **SI of MOUNT VERNON and KNOX COUNTY**

### **Food for the Hungry**

**A two-mile in line Arizona. A four-hour wait in Ohio.**

**Millions of Americans are seeking help to avoid going hungry this Holiday Season.**

**A Feeding America analysis estimates 15 million more people will live in food insecure homes in the U.S. this year compared to prepandemic levels. In Ohio, the Army National Guard helped with food distribution in the Akron-Canton region according to the USA Today. During a drive thru distribution before Thanksgiving, the line of cars stretched for a mile.**

**We will be participating in the Food for the Hungry of Knox County Fundraiser by joining in a friendly competition with other local organizations:**

**Exchange Club of Mount Vernon and Knox County**

**Kiwanis Club of Mount Vernon**

**Lions Club of Mount Vernon**

**Psi Iota Xi**

**Rotary Club of Mount Vernon**

**Cash donations are encouraged because each \$1 donated is equivalent to \$10 of buying power through the Mid-Ohio Food Bank. Let's all help meet their goal of \$240,000!**

### SI of Dayton

#### SI of Dayton, OH

Like many of you, I long anticipated the year 2020; who would have known that an invisible coronavirus would change our world and how we interact with each other... for now. The social and economic disruptions along with so many experiencing psychological distress due to this pandemic crisis have positioned many of us for an uncertain future. Our Soroptimist of Dayton club has navigated ways of social distance gathering (with mask) and virtual communication and most important we're continuing the work of combating human trafficking and finding our missing children. Maintaining this work has made our SI of Dayton club bond even stronger.

As we prepare for Advent and a new year - a new beginning, let us be mindful of those who are struggling, alone; our neighbors and our Soroptimist sisters. Reach out to the elderly and those who are isolated. Text, email, write letters, make phone calls to people you haven't heard from in awhile. Establish routines and schedule your day. Clean your house. Watch classic movies with your significant other. Hug your kids. Before getting out of bed be thankful for a new day. Before getting into bed, be thankful for the end of the day.

Be thankful for the promise of 'hope and a future' ~

#### Jeremiah 29:11

"For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end."

King James Version (KJV)

We are Soroptimist Strong!

## **STRONGER TOGETHER ON THE ROAD TO EQUALITY**

**Submitted by former Governor Vivian Walczesky, at a ZOOM meeting on November 19, 2020.**

**200 Participants from around the globe.**

**SUBJECT: ROAD TO EQUALITY**

---

**Topic: Hear from the federations and their responses to the Road to Equality in our local communities.**

**Date: November 19, 2020**

**Over 200 participants on this webinar**

**Submitted by: Vivian Walczesky**

SI President Sharon Fisher began this webinar by introducing Bette Levy, our main UN Representative in New York, who stated that she (Bette) relies on our local projects to provide her with data and information that is included in the global processes. Bette spoke about the Beijing Declaration, globally agreed to in 1995, which is the most progressive blueprint ever for advancing women's rights. Bette also said that no country has yet fully met the objectives of the platform for action. As a defining framework for change, the platform for action remains. There are 12 critical areas of concern:

- \*Women and poverty**
- \*Education & training of women**
- \*Women and health**
- \*Violence against women**
- \*Women and armed conflict**
- \*Women and economy**
- \*Women in power and decision making**
- \*Institutional mechanisms**
- \*Human rights of women**
- \*Women and the media**
- \*Women and the environment**
- \*The girl child.**

Speaker and current president of SIA, Penny Babb, spoke about survivors, and the impact our Live Your Dream awards provide. Penny spoke about the sustainable goals indicated by the UN as follows: #1, no poverty; #4 Quality of education; #5 Gender Equality; #8, Decent work and economic growth; and #10 Reduce inequality within and among countries.

Speaker Anusha Santhirasthipam of SISWP, spoke on the program entitled "bush to belly" showing young children and their mothers about secret recipes with food in the indigenous country of Australia and how the mothers then convince the elders in the community about the goals of no poverty, good health and well being, quality education, and gender equality.

Speaker Rita Nogueira Ramos, of SIE, spoke on projects regarding trafficking, violence against women, education of young people forced into prostitution, management of shelters and training those women leaving the shelters.

Speaker Nisha Ghosh, of SIGBI, spoke on violence against women, and reminded us that in a majority of cases, it is the women who is abused and the other gender the abuser.

President Sharon Fisher also stated that we will hear from the new African Federation during an upcoming webinar and we should all stay tuned.

**COMMEMORATION OF THE INTERNATIONAL DAY  
FOR THE ELIMINATION OF VIOLENCE AGAINST WOMEN**

**United Nations Unite to End Violence Against Women  
Held November 25, 2020  
Submitted by: Vivian Walczesky**

**The event opened with a song entitled “One Woman.” One take away from this webinar is that the pandemic has dramatically increased domestic violence against women and girls, prevented women and girls from calling hotlines and shelters, and exacerbated child marriages and FGM, and in general, caused an increase in global violence against women and girls.**

**The hosts of this event were Zahra Al Hilaly and Stuart Moir.**

**The dates to remember are November 25, 2020, Elimination of Violence Against Women, to December 10, 2020, Human Rights Day.**

**Orange is the new color with meaning of a brighter future and elimination of violence against women and girls.**

**Activists from around the world spoke about their grass roots efforts to combat violence against women in countries like Rwanda, Afghanistan, Armenia, Tajikistan, Argentina, Nigeria, Ukraine, Albania, Tunisia, Nepal, Kenya, Georgia, Morocco, Nigeria, Trinidad & Tobago, Malawi, and Australia.**

**UN Secretary General Antonio Guterres opened the session and spoke on the global emergency of violence against women, gender based, and increasing since the pandemic. Efforts by all grass roots organizations, first responders, and programs need to be collecting and analyzing data on violence against women. Violence is a blight against human rights.**

**Speaker Natalia Kanem of the UN Population Fund stressed “enough” to domestic violence, to rape, to trafficking, to slavery, to FGM, and to child marriages. Domestic violence occurs in all societies. In a three (3) month lockdown, Kenyan girls saw an increase in pregnancies, and also increased domestic violence staying at home and not attending school.**

**An ad campaign in New York showed posters all blocked out but had this message: This is a photo of a man beating his wife. However, it is illegal to show it. But it is not illegal to do it.**

**Two UN Goodwill Ambassadors spoke: film and tv star Nicole Kidman who told the audience that in many places in the world, home is not a safe place because of violence against women. 1 in 3 women face gender based violence. Provide services, learn about the issues. Volunteer your time and donate if you can. And Cindy Bishop, who spoke about an event in Thailand where women were told to dress appropriately for a special event, but men were not told to act/ behave appropriately.**

**COMMEMORATION OF THE INTERNATIONAL DAY  
FOR THE ELIMINATION OF VIOLENCE AGAINST WOMEN**

**David R. Malpass, president of the World Bank Group, stressed that violence against women is unacceptable.**

**The World Bank starting on January 1, 2021, will begin a new program disqualifying contractors and subcontractors from borrowing funds from the World Bank for a 2 year period upon checks which indicate violence against women.**

**The World Bank is pleased to work with the United Nations.**

**Survivors included Amenda Nguyen, founder of “Rise” who succeeded in getting legislation passed during the Obama administration. Amenda said that if a survivor is not at the table to discuss solutions, then she is on the menu. Also, another survivor, Nadia Murad, a Yazidi woman, and winner of the Nobel Peace Prize, spoke on how women from her village were taken, displaced, raped, and not provided with basic services.**

\*\*\*\*\*

**Observations from this webinar.**

- **Do we know how many women are in our local shelters due to domestic violence?**
- **How has the pandemic affected domestic violence survivors?**
- **Does anyone know the number of offenders who are charged with domestic violence?**
- **Does your local paper or other social media have a reporter who keeps track of the offenders?**
- **Is there a program for offenders and do they attend these programs?**
- **What type or kind of hospitalization did a survivor require?**
- **Did the survivor press charges?**
- **Did the survivor attend counseling?**
- **Does the survivor in some countries know their legal remedies?**
- **Is the victim provided with housing information and other health & human services information?**
- **Is there a follow up with the survivor?**
- **Does your county have a partnership with law enforcement and hospitals for domestic violence survivors?**
- **Does your area have a first responders program?**
