

# Painting Light & Atmosphere

One-Day Workshop by  
**Farley Lewis**

DATE: Saturday, Nov. 16, 2019

TIME: 9am to 4pm  
(with a break for lunch)

LOCATION:  
Creava School of the Arts  
1667 E Saint Louis St, Springfield, MO

**WORKSHOP DESCRIPTION:** Learn how to create dynamic compositions filled with light and atmosphere, and learn the keys to making values and colors work toward that goal. Learn the five rules of atmospheric perspective and keys to achieving authentic-looking light in a painting. This workshop begins with a teaching and demonstration, then the participants can work on their own painting with plenty of one-on-one instruction.

COST: \$100

One workshop participant wrote this:

*“I learned so much in Farley’s workshop. It helped me step out, take risks and to have patience to fix the issues of my art instead of quitting. This workshop was fun and energizing as Farley gave tips, however my work was still my own – something I am very proud of. Honestly this workshop helped me advance because I didn’t know that I could create something so amazing.”*
