Visit Scotland on this customized dental health program. Discover Glasgow, Scotland's largest city, with its rich past as a religious center and one of the most important industrial cities in Britain. Edinburgh, the capital of Scotland, is also a delight with its Medieval Old Town contrasting with the Georgian splendor of the New Town. Oban is a lovely resort town that is ideally located close to the Isle of Mull and other locales.

Program Highlights

- 8 nights / 10-day journey through Scotland
- Experience a cruise on **Loch Lomond**, visit to the **Isle of Mull**, as well as scenic stops in a variety of towns throughout your journey including **Glencoe** and **Iona**.
- Enjoy **afternoon tea** at the Willow Tea Room.
- **Accompanying guest program** – alternate activities will be provided for those who do not wish to attend the meetings. This will include a visit to the delightful **Kelvingrove Museum and Art Gallery**.
- Optional post-program extension to **Ireland**

Focus on Dental & Healthcare Systems

- Meet with a representative from the **NHS National Services Scotland** to learn about their role in the provision of care, especially to the most vulnerable in the population.
- **Interact with professional counterparts** to discuss issues of specific concern to the population of Scotland, including the influence of diet and other factors in the oral health of the population, the effect of the local diet in dental disease, and efficacy of dental therapy programs.
- Explore dental education with a visit to a **local university or dental school** and establish meaningful interaction and collaboration with your professional counterparts in the dental health arena.

Focus on the Community & Culture

- Give back with an exchange at **Cyrenians**, a group who have worked with the homeless and vulnerable, for the last 50 years, to transform their lives. Their name comes from the biblical story of Simon the Cyrene, but they are a secular organization. *A donation will be provided on your behalf.* Visit and help at one of their sites.

Program Leader: Paula Shannon Jones, DDS, FAGD

Dr. Paula Jones has been involved with the Academy of General Dentistry (AGD) since her graduation from Case Western Reserve School of Dental Medicine in 1984. She has served the AGD in many capacities including: Council Chair for Membership for five years; Regional Director for Illinois; National AGD Board of Trustees representative for Illinois; member of the AGD's Foundation Board of Directors (two terms); AGD's first female President (2008-2009); President, Academy of General Dentistry Foundation (2011-2013). She has been a SmileLine Online volunteer since its inception and has been a spokesperson for the organization since 1994. She was awarded the AGD Distinguished Service Award for her work with new dentists in 1995.
