Mission Media Collaborative Exhibit Promotes Industry Careers at Student Veterans of America Conference

NAPERVILLE, ILL., January 3, 2018 —With 2.9 million jobs spanning more than 800 job titles and generating \$152 billion in personal income earnings, the media entertainment and cable industry has a lot to offer to any job candidate. This week, there is a collaborative effort among 10 industry employers to recruit from one job pool in particular: U.S. veterans.

Mission Media, the industry's collective effort to hire and retain military veterans, will host a collaborative exhibit booth at the Student Veterans of America (SVA) National Conference (#NATCOM2018) in San Antonio on January 4-6, 2018. Mission Media's booth will highlight careers in the industry with a specific focus on the organizations participating in the exhibit: A+E Networks, Comcast, Charter Communications, CTHRA, NCTA, SCTE, The Walt Disney Company, Viacom, Vyve Broadband and WICT.

SVA represents a network of 600,000 student veterans at nearly 1,500 chapters on college and university campuses across the U.S. SVA National Conference attendees will include more than 2,000 of the best and brightest veteran scholars who have chosen to use higher education to transition to a career and civilian life.
