Location of Wedding: _____

Location of where services are to performed: _____

Time of Wedding: _____

Time of service's: _____

Estimated time of departure : _____

Direction to destination : _____

How many in your party _____

Congratulations on your special day.

As you know there are some issue's we have to discuss with you.

1. When we travel to your destination it is required that you have a special area for our team to work as you know time is of the essence so being prepared is key to having your Bridal Party ready for your wedding.
2. It can get a little crazy with all the hustle & bustle with the wedding preparations so we do require that the balance of your bill be paid prior to any service's performed
3. Your wedding day is our top priority, however there are situations that come up that are beyond our control "*example*...traffic, sickness, death, car trouble etc" If a situation arises we will contact you asap to inform you about the situation, if you **do not** hear from us with in 30 minutes after our scheduled time to arrive **PLEASE** do not hesitate to call the numbers that we have provided for you .
4. The contract is a very important tool, it informs our team of the scheduled services that are required for that day and insures you that we will not leave anything undone. Sometimes at the last minute someone might want another service and that is just to hard to make happen considering the time involved Is only for what is required on the contract. So please try to have as much information as possible about what your needs are for your wedding party. If after all the services are performed and there is more time left we will be more then happy to accommodate you.
6. If you would like our team to accompany you and your Bridal Party to the church for additional primping and to act as a coordinator please specify that in the contract.
7. We do require a 20 % down payment on party's of 4 or less and a 40% down payment for party's of 5 or more, this down payment is non refundable if you DO NOT call 2 weeks in advanced so that we may be able to book that time for another Bride.

Thank you very much for choosing Trinity Salon & Spa for your Wedding Day services.
