GREETINGS!

It has been less than 6 months since I wrote the last calendar of events / newsletter...but it seems like the world has been turned upside down and inside out! A wise friend thought that this was Mother Earth's way of putting us all into a time out, to consider what we have done....Perhaps this is time to move to a more conscious way of living that recognizes the inherent worth and dignity of all... WE ARE ALL IN THIS TOGETHER! That includes our peoples of all sexes, races, nationalities, ages, sexual preferences, etc. We are all ONE with each other, our planet, and the Divine..... and love is the **only** way forward.

Reiki is Universal Life Energy that treats the whole person: physically, emotionally, mentally and spiritually. A Reiki treatment is a powerful but gentle catalyst to healing. Treatments are very relaxing and stress reducing. Reiki promotes movement when feeling stuck or blocked. Regular treatments can help manage chronic conditions. We offer a variety of Reiki styles including Usui, Karuna, Shamballa and Holy Fire III Reiki.

Hypnotherapy is a state of intensified attention and receptiveness with an increased responsiveness to an idea. Clears energy blocks that limit your purpose, prosperity and creativity. Painlessly identifies and releases suppressed feelings / core cellular memories.

Magnified Healing heals the nervous system, heals and stimulates spine, heals karma, cleans and clears the chakra system and heals the light body and prepares one for ascension. Heals the Earth. High frequency healing from God Most High of Universe.

Massage is a gentle, relaxing way to nurture yourself. It can release tension, improve circulation and reduce mental and physical fatigue. Revitalizing and energizing - a real stress buster. Trigger point.
