Recognition

As your local we cannot be in every center all the time; so, if you have any scores or items of interest please let us know via Facebook or drop us an email at adkusbcnews@gmail.com and we will do our best to get you some recognition for whatever achievement you have. The honor scores are easy but that's not what we are looking for.

As the season is starting please remember that your bowling center is the number 1 source for all new bowling rules and awards available to you.

Also, all certifications are being processed in a timely manner and if you have not received your sanction card check with your league secretary.

All lane certifications have been done and every center is in compliance
