

**IF YOU DIED TODAY
ARE YOU 100%
SURE OF HEAVEN?**

After 6,000 years of violating God since the murder of Abel, we live in a world stricken with abominations. The images being presented to the poor in America, derived from millenniums of sexual deviance in Europe, are designed as a romper-room psychology to compel the poor into pseudo-slavery. In the Last Days, the wealthy

will try to make it a *real* slavery for the American poor and working class. But this is one among many evils of our civilization that some people may desire to combat. A man is not going to *change* the prophecy of Revelation, and that prophecy foretells some grievous conditions on the earth, many of which will be avoided by the rapture of the saved. But a man who tries to combat a prophecy may wind up injured, much like the man who set out to cross the sea but could not make it because of the storm.

The best that the common man can do to be prepared is to *get saved* and be granted an Angel of God to protect him. So what does it mean to be saved?

The reason we die is because of our sin (Romans 3:23, 6:23). The second punishment for our sin is Hell after we die (Revelation 20:15). Jesus' death on the cross was an atonement (a payment) for our sin so that it can be forgiven and God will allow us into Heaven. The only requirement for being saved from Hell is faith in Jesus Christ: *simply ask him to save you, believing in him in your heart*. Please see the prayer on the reverse so that you may be prepared for the Last Days.
