

COVID-19 Update

As the State and City begin opening more, please remember to Social Distance, wash your hands....and wear a facemask when out in public. When I visit the various businesses in and around Ward, I am surprised (and disappointed) at the number of people who are not wearing a mask. Do your part to stop the spread.

- All Ward city facilities will be open to the general public on July 6. Each facility will have COVID-19 procedures in place.
- City parks are open and baseball/softball teams are back to practicing. COED softball registration is on-going with the goal to opening league play in early July. Parks & Rec Director Karen Dawson has all the details.
- Ward District Court opens this evening – outside. If you are on the docket, come to the back of City Hall.
- The City-Wide Clean-up is postponed – again – to October 3. More information will come later.
