SUMMER STORAGE POLICY FOR SUMMER 2025

As a benefit of renting from us for the upcoming Academic Year, you have the option of Free Summer Storage, however, you must follow the instructions below and use the forms provided.

OPTION 1: Storage in your unit in your bedroom

If your unit is not rented for the summer (contact us to determine availability), your personal items may be stored in your bedroom, the door closed and locked and the flyer provided below securely fastened to the bedroom door. You will need to fill out the Summer Storage Agreement below. You agree that your bedroom will not be cleaned as a result of your belongings being stored in it. You also agree that since we are not able to clean this room, that upon your move – out you will deliver your bedroom in a cleanly state at the end of your residency (as we would have delivered it to you had we been able to clean it). Our Academic Year Leases end midnight the day after graduation for the Spring semester. Therefore, the first day that your bedroom in your unit would be available for this storage option would be the morning after the day after graduation in the Spring unless the Residents who are moving out have vacated the premises prior to the end of their lease. If your unit has been vacated, then you will be able to store your items in your bedroom. If it has not been vacated, you will have to wait until the Monday after graduation to access this storage option. You will need to come to our office to access entrance to the unit – please see office hours below in Check Out/Storage Schedule Calendar below.

OPTION 2: Storage at 94 Main Street, Suite 105 (if you are not able to access Option 1 above)

You are required to fill out the **Summer Storage Agreement** as well as the form **94 Main Street, Suite 105 Storage Label**. We are required to have both forms in our possession and you are required to attach the Label to your items that are in 94 Main Street, Suite 105 storage location. Please see Storage Schedule Calendar below for dates that 94 Main Street, Suite 105 storage is available. Please place your completed **Summer Storage Agreement** in the drop box located outside of our office.

EITHER STORAGE OPTION requires that upon commencement of the Fall semester, you Check In at our office. During the summer, you will receive an email with times and instructions for Check In. All items in storage must be removed from 94 Main Street, Suite 105 no later than the day classes have begun for the Fall Semester. Any unclaimed items may be disposed of after this date.

In both options, only *your* belongings are permitted to be stored. Items belonging to other persons will be assessed a charge to *your* rental account as we only provide storage to students who rent from High Street. *We may dispose of property that is not yours without notice and charge disposal fees.*

As you know, May is a busy time of year. If you follow these procedures, it will make everyone's life much easier. Thank you for your cooperation in advance.
