General Class Attendance Policy

All students are expected to attend their regularly scheduled classes. Each class offers a step forward in the educational process. A missed class could leave a child one step behind the other students. It is important for children to feel completely confident with the choreography at the year-end performance. Missing class could result in frustration for the students and their teachers and classmates. **Please schedule your other activities around your scheduled class times.**

CLASS DESCRIPTIONS & REQUIREMENTS:

Adult Classes (Age 18+): Adult classes will have a new format this season: Each Tuition period (4 weeks) will be a different subject/instructor. Class styles offered may include: Ballet, Tap, Jazz, Lyrical, Contemporary, Modern, Belly Dance, Ballroom. We will announce the Adult schedule monthly. If a subject/teacher is very popular we can always extend the session. Tuition is \$60 per four week Tuition period or Drop In for \$20. Perfect for recent alumni and busy adults!

Toddler & Me (Age 1 ½ -3 with Adult): This is the perfect introduction to movement and dance for your child. In this class, you and your child will learn to love dance together. Students and adults should wear comfortable clothes and bare feet or ballet shoes. This class has open enrollment throughout the school year. This class is open for registration September – May and does not participate in the recital. Last week of classes is May 12, 2026 – unless a make up class is scheduled for Winter weather

Creative Movement (Ages 3-4) Is a Pre-Ballet and Modern dance program that offers a new experience for the young child in learning body awareness, self-assurance, self-esteem, coordination, flexibility, and more! Pre-Ballet technique, skipping, leaping and movement concepts like: fast/slow, high/ low, etc. and fun class themes like: “Beach Day” or “Seasons” that tie the classes together. This class does not participate in the recital. There are 2 informal “performances” for friends and family at the dance school. Usually in December and May. This class is open for registration September-May and does not participate in the recital. Last week of classes is May 12, 2025 – unless a make up class is scheduled for Winter weather. Students can wear bare feet or ballet shoes.

Ballet & Tap Combo (Ages 4-6): 30 minutes of tap and 30 minutes of ballet

Ballet, Tap & Jazz Combo (Age 7-8): 30 minutes of tap, 30 minutes of ballet & 30 minutes of jazz

Ballet: is a highly technical form of dance with its own vocabulary based on French terminology. It has been globally influential and has defined the foundational techniques used in many other dance genres and cultures.

Tap: is a type of dance characterized by using the sounds of tap shoes striking the floor as a form of percussion. The sound is made by shoes that have a metal "tap" on the heel and toe.

Jazz (Ages 7 & Up) is a performance dance technique and style that emerged in the early twentieth century. Jazz dance may refer to vernacular jazz or Broadway or theatrical jazz that emerged with jazz music.

Belly Dance (Ages 13 & Up) Learn muscle control and fluidity while toning the core, encouraging good posture, improving flexibility, and gaining body confidence. In this class you will learn the basic movements and isolations as well as the posture and styling of belly dance. Have fun and discover muscles you never knew you had! No previous dance experience necessary. We will begin each class with a comprehensive warm up, review and develop belly dance technique, work on travelling movements and brief sequences of choreography.

Contemporary (Ages 13 & Up) Contemporary dance is a style of expressive dance that combines elements of several dance genres including modern, jazz, lyrical and classical ballet. Contemporary dancers strive to connect the mind and the body through fluid dance movements.

Hip Hop (Ages 6 & Up) refers to street dance styles primarily performed to hip-hop music or that have evolved as part of hip-hop culture. It includes a wide range of hip hop styles.

Lyrical (Ages 11 & Up) Lyrical is a fluid and graceful style of jazz that incorporates ballet and modern techniques.

Modern (Ages 13 & Up) Modern dance is often considered to have emerged as a rejection of, or rebellion against, classical ballet. Modern dance pioneers disregarded ballet's strict movement vocabulary, the particular, limited set of movements that were considered proper to ballet, in the search for greater freedom of movement.

Pointe (Ages 13 & Up) Pointe technique is the part of classical ballet technique that concerns *pointe work*, in which a ballet dancer supports all body weight on the tips of fully extended feet within pointe shoes. Pointe work is performed while wearing pointe shoes, which employ structural reinforcing to distribute the dancer's weight load throughout the foot, thus reducing the load on the toes enough to enable the dancer to support all body weight on fully vertical feet.

Pointe Requirements:

Students ages 13 and up who are interested in taking Pointe classes for the following dance season should:

- Have progressed to the Intermediate level of Ballet.
- Understand that you must take a Ballet class plus the additional Pointe class. Both classes cannot be scheduled on the same day.
- Attend all classes with a serious attitude.

Pointe dancing is not for everybody. Sometimes your physical anatomy will prevent you from going on pointe. It is imperative that pointe students make a serious commitment and have a positive mental attitude, which allows them to take constructive criticism. The student should also be responsible for demonstrating these corrections consistently throughout her training.

Pre-Production Program: The FDA Pre-Production Program is designed for serious dance students ages 8 and up, with good attendance, great attitudes and a strong desire to learn. These classes challenge the more serious student, and concentrate on the execution, perfection and precision of dance technique advancement. The Pre-Production students do not attend competitions, but they are encouraged to attend to support the Production Team and see what a competition looks like. Students are required to take Pre-Pro Ballet, Pre-Pro Tap and Pre-Pro Jazz, each class 1 hour long, on two separate days of the week. To join the program, students need to be experienced in Ballet, Tap and Jazz and to have been enrolled at FDA for one year or more.

Production Team Program: The FDA Production Program is designed for serious dance students ages 9 and up, with good attendance, great attitudes and a strong desire to learn. These classes challenge the more serious student, and concentrate on the execution, perfection and precision of dance technique advancement. These classes participate in local dance competitions. Students are required to take Ballet, Tap, Jazz, Modern and also have an additional "Choreography" class that focuses on choreography for competitions. To join the program, students need to be experienced in Ballet, Tap and Jazz and to have been enrolled at FDA for one year or more.

Senior Class (Graduating Class of 2026): This class is for our graduating Senior students who have been dancing with us for several years. To take this class you must also take at least one technique class in: ballet, jazz, lyrical or modern. Class will learn: a Senior class dance for the recital and additional dances for possible community performances. These Seniors should submit a Senior Biography and Senior Photo for the Recital Program, and a baby photo and senior photo for the recital slide show by May 1, 2026.

HOLIDAY SHOWCASE PERFORMANCE

We are planning to have an informal Holiday Showcase performance for our classes at the dance school in December.

During the week of December 8-11, 2025, each core group of classes (core = Ballet, Tap, Jazz, including Combo classes, Creative Movement and Toddler & Me classes) will perform one dance, in costume, in our lobby performance space, during their regular class time. Some elective classes will also be performing. I will send out the exact performance time and details as we get closer to December.

We will have our performance lobby set up with chairs for the audience. We will also have gift tables and raffle baskets set up in the white gazebo lobby.

There will be no charge for audience members for the Holiday Showcase performance, however, we will be charging a costume rental fee of \$15.00 per costume for the dancers. This \$15.00 helps us cover fees for steaming, alterations and accessories for each costume. The Holiday Costume Rental Fees will be posted to accounts at the beginning of November and will be due by November 24.

We will be putting together a DVD of all the class performances. Order forms will be emailed out and will also be available at the Front Desk in December. Last year, we were able to have the DVD ready to pick up before we went on Winter Break.

Medical Information

Parents must notify the front desk and/or teachers regarding students who use an inhaler or who may require medications during their time at Fairport Dance Academy. It is also important to inform the front desk and/or teachers about your child's existing medical conditions, allergies or learning disabilities at the time of registration and throughout the school year. Our teachers are trained professionals who are anxious to work with all children and personalities, and the more we know about your child, the better the dance experience will be for all involved. All information about your child is confidential.

Discipline Policy

In order to maintain a happy, healthy, professional environment, students are taught the importance of being part of a group. We encourage students to have respect for other students, the teachers and staff, and studio property, and we foster the development of good habits and compliance with rules of conduct.

Our staff and faculty are trained to use constructive techniques of discipline to maintain class control and handle individual misbehavior.

- Children who exhibit unacceptable behavior or attitudes are told what is wrong and directed to a positive alternative approach or behavior.
- Children who are disruptive will be respectfully asked to stop the behavior. If the behavior is repeated, they will be reminded of it and told how it affects others. If the disruption continues, the children involved will be asked to sit down for a short period of time (usually three to five minutes) before rejoining the class.
- If a child's misbehavior continues to disrupt the class, the parent or guardian will be called to pick up the child.

Student and Parent Use of Social Media

Use of Facebook, Twitter, LinkedIn, blogging, and other online social-media vehicles is commonplace. This policy is intended to provide Fairport Dance Academy students and parents with guidelines to eliminate any confusion concerning the use of social media.

- Never post anything that could compromise the self-esteem of students who attend Fairport Dance Academy.
- If you post videos of class or rehearsals, don't post any choreography in its entirety.
- Respect the law, including those governing all defamation, discrimination, harassment, and copyright and fair use. As stated in this handbook, parents and students should never post negative comments about other schools or teachers. Also, please do not post negative comments about school activities such as competitions, conventions, and performances or about the directors of those events.
- Ensure that your social networking conduct is consistent with all of the policies contained in this handbook.
- You DO NOT have permission to reveal any information that compromises Fairport Dance Academy. By that we mean you are forbidden to share personal information about the director, other students or their families, or anything that is proprietary and/or confidential to them or Fairport Dance Academy.
- Students and parents should neither claim or imply that they are speaking on behalf of Fairport Dance Academy.
- Improper use of social media could result in dismissal.

Termination of Enrollment

In certain circumstances, when it is in the best interest of one or more students, it may be necessary for the school director to terminate a student's enrollment. Every effort will be made to correct a problematic situation before terminating enrollment. Reasons for termination of enrollment include the following:

- Disruptive or dangerous behavior by students or their parents
- Abuse (including verbal) of other children, staff, or property
- Inability of Fairport Dance Academy to meet the child's needs
