Welcome to the 2024 Cypress Head Mens Golf Association

MGA – President's Message 2024

Golf has such a rich history, with many great stories of perseverance. Hogan's recovery after a bad car accident, when he collided with a bus. The journeyman player who has played well throughout his career and finally wins a major tournament, like Brian Harman winning the 2023 Open, formerly called the British Open.

The golfers in our league have different golf backgrounds. Some started young and maybe they caddied. Others may have been lucky enough to belong to a country club and learn golf that way. Or maybe after playing other sports there was a natural transition to golf when we couldn't play football, baseball, or basketball any more.

Regardless of how we got here I think we all have a respect for golf's history and have a love of the game. We respect the difficulty and appreciate the reward of playing well. We value the integrity of the game with its many rules and self regulation.

In golf we come to realize that even when we are playing well we haven't mastered it. So enjoy the good rounds when they happen and know that a bad round is only a temporary memory.

I think we are fortunate to have such a beautiful and challenging golf course like Cypress Head to play as members of the MGA. The staff at Cypress Head have supported our league and have worked hard to maintain the course for us to enjoy.

The officers and committee members of the MGA are committed to making your playing experience enjoyable. Their hard work and dedication ensures that things run smoothly even when we have disruptions like the weather or unforeseen schedule changes.

The membership makes the league what it is. Please participate by volunteering and giving feedback to help us maintain and improve our league.

Looking forward to the 2024 season and enjoying the Cypress Head Golf Course with you.

Thank you.
Mike Bagnato, President

CHAPTER III OPERATING PROCEDURES AND RULES

A. OPERATING PROCEDURES:

1. MEMBERSHIP

MGA Members must be at least 18 years of age and meet minimum handicap requirements.

While it is understood that the Mens Golf Association is a WHITE Tee organization, it is also recognized that there are preferences on the part of some MGA members to play from FORWARD Tees. To allow all active MGA Members to continue to enjoy the full benefits of the MGA, the Executive Committee has ruled that members may opt to play from FORWARD (GOLD or RED) Tees. Each MGA member should submit their choice of Tee to the Tournament Committee at the beginning of each season. If no request is made, players must remain on the tee position they are currently assigned. Players may choose to move to a different tee position one time during the year by submitting their request to the Tournament Committee. Once a player has moved to another tee, he may opt to move back to a different tee position at any time by notifying the Tournament Committee, but must then remain there for the remainder of the year.

In choosing which tee to play, members should consider, as a guideline only, that recent research has shown a correlation between the average distance a seven iron is hit and tee choice. The correlation between yardage that a seven iron is hit and the appropriate Cypress Head tee position Is shown in the following table. Again, this is only a guideline, and each golfer must make his own decision.

Average 7 Iron Distance in Yards	Best Course Length in Yards	Best Tee Choice
80 or less	3500 - 3700	Red
95	3700 - 4800	Red
110	4800 - 5000	Gold
125	5400 - 5600	White
140	5900 - 6100	Blue
155	6400 - 6600	Black
170 or more	6700 - 6900	Black

Golf Journal (Fall 2023)

All new applicants MUST "Demonstrate" the ability to play to an established USGA handicap for the tee position of their choice before the application will be fully accepted. In order to accomplish this, the player must "demonstrate" his ability of a 36 course handicap maximum from the WHITE tees, 30 or less course handicap from the GOLD tees, or 27 or less course handicap from the RED tees; based on five (5) rounds of golf from the chosen tees in the MGA at The Golf Club at Cypress Head. Once this is demonstrated, the new member's handicap will be indexed based on the one (1) lowest of the five (5) rounds from a single tee location. This requirement will be waived if the applicant already has an established GHIN handicap index satisfying the requirement.

In the event that the applicant or the tournament committee deems that the applicant is unable to meet the requirement from the chosen tees, he will be given one additional five (5) round opportunity to qualify from a more forward tee. If, after this second opportunity, the applicant is still unable to qualify, the tournament committee will notify the applicant of his inability to qualify, and his full membership fee (less the handicap fee if it has been already paid) will be returned to him. In no case will an applicant be allowed more than five (5) rounds from each of two different tee locations in which to qualify.

During the Demonstration rounds, the applicant will only pay a \$1 prize money fee, and will only be eligible to participate in the closest-to-the-pin competition. He will not be eligible for tournament or hole-in-one prize money.

2. SIGN-UP

Sign-up for the next week's tournament will be from Thursday AM through Wednesday 9AM of the following week. MGA members should cancel by 9AM Wednesday the day before the tournament.

3. REGISTRATION

The normal play day is each Thursday. Tee time is 8:15 AM, with a shotgun start from the assigned tees. On the day of play, registration is from 7:00 AM-7:45 AM. If you fail to register before 7:45 AM, you might be replaced by an alternate. It's best to arrive at the course at least by 7:30 AM for registration. If you are signed up to play, but find that you will not be able to play, you MUST call and speak to a member of the Tournament Committee or Executive Board before 9AM on Wednesday.

After 9AM on Wednesday, a signee will call a member of the Executive Committee and talk with them to properly cancel and not be considered a **NO SHOW**. Calling the Pro Shop and informing an employee may not fulfill this requirement.

TARDY players, checking in at registration after 7:45 AM, the Tournament Committee may still allow the player to play, if there is room remaining within the established pairings, but may choose to exclude that player from that day's tournament.

4. TOURNAMENT / PRIZES

All score cards in MGA play must be turned in by the scorekeeper immediately after each round. They must be CAREFULLY KEPT, SIGNED, ATTESTED TO, AND DATED. Each player's local club number must be shown on the card. For the sake of accuracy, a backup scorecard should always be kept and compared in your group.

Normal tournament fees will be \$6.00 which includes the closest to-the-pin (CTP) competition. Guests may also participate in the CTP competition for a \$1.00 entry fee. After a player pays the tournament fee for that week and unless the Tournament Committee cancels play, the tournament fee is forfeited, should a player not complete the round.

For each MGA event, prizes will be awarded to twenty-five percent (25%) or more of the field. Payouts for each CTP winner will be 25% of the total CTP money collected, up to a maximum of \$20.

The Tournament Committee may elect to change the format of the weekly tournament dependent on circumstances such as weather, low MGA attendance, etc.

Most events are flighted based on the number of members playing, and are determined by handicap indexes and paired by the computer. Players must play with their assigned team or partner. If a particular flight is not equal to other flights due to format or handicap indexes, prize monies paid into that flight might be disbursed accordingly. The 25% or more payout rule will remain in effect.

In the event that a member or members are fortunate enough to make a hole-in-one, each player making a hole-in-one will be rewarded \$100 in cash, and the MGA will provide free beer to members (one beer per person). If a member wants a beverage other than beer, he will ask the person or persons who made the hole-in-one to buy them a drink out of his \$100 prize money. No beverage will be served until the person or persons who made the hole-in-one arrives and a member of the Executive Committee informs the bartenders they may start serving the beer. There will be no carryovers under any circumstances.

In the event of weather concerns, the following will apply:

- If Cypress Head closes the course, Cypress Head will address the ‘rain check’ condition. The MGA will address the tournament fee (which will be carried over to the following week).
- The decision to cancel the tournament will be made by the majority of the Executive Committee present.
- If the player leaves the course during the round, prior to the MGA suspending play for weather (no longer than 45 minutes), the player will forfeit the tournament fee.

Members who fail to register and pay prize money prior to play will not be eligible to receive prize monies in the event they or their team wins.

5. MISC.

If a member violates Article II of the By-Laws, or acts in a manner detrimental to the purpose of the MGA and/or to the spirit of fair play, the Executive Committee has the right to review the matter, and with just cause, suspend the member **without refund of membership dues.**

Monies won in MGA events will be credited to the member’s computer account, and will remain there while one remains a member or until spent. Winnings may be used for Pro Shop items, greens fees, or for practice balls. *If one decides not to renew his membership for the next golf year which begins on January 1st, he will have until the following June 30th to use the funds in his account. If he fails to do so, his account will be closed and any remaining balance will revert back to the MGA account.* In the event of a member’s death, his family will be notified of any existing balance, giving them the option of using it, leaving it in the account or receiving a refund.

Members should repair all holes made by divots with sand, repair ball marks, rake sand bunkers and operate carts in a safe manner.

All members will be provided with a green MGA identification card that contains three numbers:

- MGA # - Used by the pro shop staff to credit winnings to your account or when making a purchase from your account.
- GHIN # - Number used for posting scores either online (www.ghin.com) or at other golf courses.
- LOCAL # - Used to enter scores at terminal in the pro shop.

B. RULES GOVERNING PLAY DURING MGA SPONSORED EVENTS:

USGA, LOCAL and the following MGA rules will govern play during all MGA events.

1. A. WHITE TEE Players: The ball will always be played DOWN unless announced otherwise, and everything must be putted out in accordance with that day's tournament format. Lie improvement is a rule violation subject to penalty (ball to be lifted for identification must be done according to USGA Rule 7.3).

B. GOLD TEE and RED TEE Players: May elect to play the ball UP or "Roll the ball over", and everything must be putted out in accordance with that day's tournament format. If playing the ball UP, the ball may be moved no more than one club length and must remain in the same playing environment (fairway, fringe or rough), but no closer to the pin. This does not apply when the ball is in a hazard.

2. If a ball is suspected as being lost, a provisional ball may be played to speed-up play. If a provisional ball is not played and a player does not find his ball in the general area, he must either go back and replay the next shot from the previous spot where the original ball was played with a one stroke penalty or use Model Local Rule E-5 with a two stroke penalty.

3. If you believe your ball may not have cleared a penalty area (i.e. hole #s 2, 3, 4, 6, 7, 8, 9, 12, 13, 14, 15, 16, 17, 18), to speed-up play, you may play a provisional ball from the same spot as the original ball. If the original ball is found outside the penalty area, you 'must' play the original ball. If your ball is found inside the penalty area, you have the option of playing the original or provisional ball. If a ball is deemed unplayable in areas other than those previously described, see USGA Rule 19 for proper procedure.

4. Most of the penalty areas, wooded and Environmentally Sensitive Areas (ESA) around the golf course have been marked as red or yellow. All ESAs are marked with green tops and cannot be played out of.

All ground or water within the margin of a water hazard marked with a (Yellow Line) or yellow stakes, or a lateral hazard marked with a (Red Line) or red stakes is part of a penalty area. See USGA Rule 17 for proper procedure.

NO HUNT/PLAY ZONES: There are three "No Hunt/Play" zones at

Cypress Head. They are Hole # 2 just short of the green, Hole # 6 and Hole #16 areas between the tee and the green. The MGA designates this as a “NO PLAY” zone. **PLAY IS PROHIBITED FROM THIS AREAS.** If a ball is played into this area, the player must take a drop in front of the zone, using the ‘line of flight’ principle and incur a one-stroke penalty. If a player attempts to play from a “NO PLAY” zone, he **WILL BE DISQUALIFIED.**

5. Out of bounds is defined by white boundary posts or fence lines bordering the golf course. See USGA Rule 18 for proper procedure. If you think your ball might be out of bounds, declare it so and hit a provisional ball in order to speedup play. **NOTE:** If the original ball is found in bounds, the original ball must be played and the provisional ball picked up. Also, If a provisional ball Is not played, when a player finds his ball OB he may use Model Local Rule E-5 with a two stroke penalty.

6. The bunker areas on the left side of the hole #1 fairway, and on the right side of the #18 fairway, are considered WASTE AREAS. You may ground your club while addressing the ball.

7. If a fellow member/competitor violates a particular rule of golf, you are obligated to immediately inform him, in a kind way, of the violation. Failure of a member to comply with a rule of golf may be cause for disqualification. If you disagree, play two (2) balls to the finish of that hole and upon completion of the round of golf see rules official for clarification before signing your scorecard.

8. In taking a legal drop, you must hold the ball at knee height, and drop it. Placing the ball, when only a drop is allowed, is a rule violation, 1 stroke penalty.

9. A ball embedded in its own pitch mark in the general area and outside a penalty area, may be lifted, cleaned and dropped without penalty, in the same environment.

10. A ball lying in a divot hole, ant hill or in a hole made by Armadillo, Sandhill Cranes, Egrets, etc., in your own fairway will be treated as Ground Under Repair and may be lifted, cleaned and dropped in accordance with USGA Rule 16.

11. A pond penalty area overflowed outside the margin of the area is temporary water. The ball in question must be identified. Where there is overflow from a

penalty area, take relief from the condition and drop to the ‘nearest point of relief’ according to USGA Rule 16.

12. On occasion and due to weather, certain areas of the golf course experience “less than ideal” conditions. So the golf course can be more fairly experienced, the Rules Committee will enact ‘SAND TRAP’ exceptions as follows:

Condition 1: “RAKE AND PLACE” - Except when the ball is plugged in the slope of a bunker, you may find a spot in the bunker NO CLOSER to the hole and at the NEAREST POINT OF RELIEF, still in the sand bunker, RAKE the sand and PLACE the ball WITHOUT PENALTY.

Condition 2: “SELECTED GROUND UNDER REPAIR” – When SPECIFIC bunkers are identified, you may REMOVE your ball from the bunker WITHOUT PENALTY. The ball will be dropped within 2 club lengths of the edge of the bunker, keeping the point where the ball was retrieved between the hole and the drop point.

Condition 3: “ALL BUNKERS ARE PLAYED AS GROUND UNDER REPAIR” – You may remove your ball from ANY bunker WITHOUT PENALTY. The ball will be dropped within 2 club lengths of the edge of the bunker, keeping the point where the ball was retrieved between the hole and the drop point.

13. If there are no penalty area lines or stakes or the stakes are not aligned properly, the margin of the area is determined by the cut of the rough grass height compared to the penalty area grass height. (If in doubt, another player should be consulted, and then two balls played. The situation should then be brought to a Rules Committee member after the round for resolution).

14. At the beginning of each competitive round, if an Abnormal Course Condition (ACC) is identified, the proper procedure to follow is: (1) All members of the group agree that the ball did NOT go out of bounds; (2) the ball cannot be found or retrieved. The next shot is taken from a spot at the nearest point of relief, no closer to the hole. There is no penalty assessed.

15. If a ball is hit to the left of the cart path to the left of the green on hole #4, a player's FOUND ball may be dropped in the DROP AREA circle at the right of the bridge crossing and no penalty is assessed. If the ball is not found, it should be played as a lost ball.

16. If a ball is hit over the fence, left of the cart path on hole #18, the player's

FOUND ball may be dropped In the drop area circle behind the last fairway bunker and no penalty Is assessed. If the ball is not found, It should be played as a lost ball.

Rangefinders

For all play in the MGA, a player may obtain distance information by using a device that measures distance ONLY. If a player uses a distance measuring device that is designed to gauge or measure other conditions (gradient, wind-speed, temperature, etc) the player is in breach of Rule 4-3 for which the penalty is disqualification.

Assumption

All USGA rules, Cypress Head and MGA LOCAL rules apply to play in the MGA and it is each person's responsibility to know these rules. Players should refer to the MGA Bulletin Board and Website to view current rules.

Ball Hawking

Ball Hawking during MGA events is NOT permitted. It is defined as "looking for a ball(s) other than your own or your partners, if applicable, resulting in you delaying to play your ball when it is your turn." The penalty can range from a verbal warning to the adding of a penalty stroke(s) to disqualification for subsequent violations. (e.g. 1st violation - verbal warning; 2nd violation - 1 stroke penalty; 3rd violation - 2 stroke penalty; 4th violation - disqualification)

SCORING

STABLEFORD SCORING

Using the following point values:

<i>Hole in One:</i>	<i>8 points</i>	<i>Bogey:</i>	<i>1 point</i>
<i>Eagle:</i>	<i>6 points</i>	<i>Double Bogey:</i>	<i>0 points</i>
<i>Birdie:</i>	<i>4 points</i>	<i>Triple Bogey:</i>	<i>-1 point</i>
<i>Par:</i>	<i>2 Points</i>		

While scoring, write down your gross score and points earned for each individual hole. When the round is completed, total the points for all 18 holes and add this number to your handicap. That is the score you enter on your card and turn in to the tournament committee. (Note: You should also total your gross score for posting by the handicap committee).

EXAMPLE – Player “A” has a total of 22 points with a handicap of 13. His score is a 35 for the round.

MAXIMUM SCORE FOR HANDICAP PURPOSES

All scores for handicap purposes, including tournament scores, are subject to a maximum number of strokes on each hole (previously referred to as Equitable Stroke Control (ESC)). This mandatory procedure reduces high hole scores for handicap purposes in order to make handicaps more representative of a player’s potential ability.

The maximum score on any hole is equal to PAR + 2 + the number of HANDICAP STROKES the player is entitled to for that hole.

USGA RULES OF HANDICAPPING

The Cypress Head MGA uses the USGA rules for establishing and maintaining handicaps. The complete set of rules can be found at the following website:

[Rules of Handicapping \(usga.org\)](http://usga.org)

OPTIONAL MULTI-DAY TOURNAMENTS

The multi-day events are optional, and treated as both individual and combined tournaments. All players are eligible for the regular weekly tournament prizes. Those that choose to participate in the multi-day tournaments will be required to register additionally for the event and pay an extra tournament fee to be eligible for the multi-day total score prize award.

SHAMBLE SCORING

Each team chooses their best tee shot. Team players hit their second shot from that point, continuing to play their own ball through completion of the hole for an individual score.

SCRAMBLE SCORING

Each team chooses their best tee shot, continuing to play the best shot through completion of the hole.

STEP ASIDE SCRAMBLE SCORING

Each team chooses their best tee shot. The player who hit the selected tee shot must step aside and skip hitting a second shot, but then can continue to play the best team shot through completion of the hole for a team score.

MATCH PLAY VS PAR

Post your net score on each hole, then compare that to par for the hole. If your net score is lower than par, you win the hole (+); if your net score is equal to par, you half the hole (0); if your net score is higher than par, you lose the hole (-). At the completion of the round, add up the total number of (+),s and subtract the total number of (-),s. This is your total score for the round.

MIXED TEE COMPETITIONS

Many weekly formats can (or will) be flighted according to HANDICAP INDEX instead of COURSE HANDICAP. In playing these competitions players from different tee boxes (Red, Gold, White, Blue) will be competing against each other. When this competition is being played ALL players will play the ball UP.

The John Terrell Award Process

- Any active MGA member may nominate another active MGA member by sending an email to the MGA secretary. The nomination should cite the following applicable criteria to justify the nomination:
 - Has been or was an active member for five (5) years
 - Has/had a good knowledge and understanding of the MGA
 - Has/had served and been an active participant on one or more committees
 - Has/had helped to make the MGA a good and active association
 - Has/had gone “above and beyond” normal service
 - Is/was a credit to the game of golf, to the MGA and to The Golf Club at Cypress Head
- Upon receipt of a nomination, the MGA secretary will forward the nomination via email to all members of the executive committee.
 - Within 7 days, executive committee members will reply to the secretary with their approval or non-approval. Failure to reply will constitute a non-approval.
- After seven days, the secretary will tally the results and notify the executive committee of the results of the vote. A simple majority will be required for approval.
- The MGA member may be nominated and approved at any time; however, awards will only be presented once each year at the November membership meeting. There is no limit on how many members can receive the award in a given year, however no member is eligible for the award more than once.
- Recipients will receive a plaque for The John Terrell Award in addition to having their name placed on the wall plaque at The Golf Club at Cypress Head.
