Monthly Challenge Painting:

At our regular meetings we set a challenge painting topic. We encourage our members to participate and bring a painting on that topic to the monthly meeting, show their work and talk about how they did it, what techniques they tried, what materials they used and so on. Participation is totally optional but taking on the challenge is a wonderful way to grow as an artist.

Mission Statement:

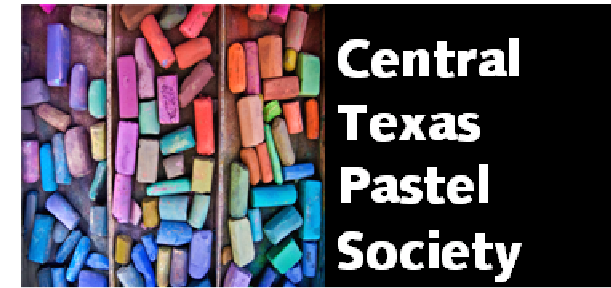

The purpose of Central Texas Pastel Society is twofold: To promote pastel as a recognized medium through shows and exhibitions, and to organize workshops, programs and painting opportunities for its membership to assist each to reach their optimum potential as an artist...whether they chose to be hobbyists or professionals.

CTPS, a non-profit organization, is an annual sponsor of scholarships for underprivileged children at annual summer art camps. The Society has donated art supplies and art books to schools and community libraries.
