## Who We Are

Dedicated Care Solutions is a Christian based company that believes in doing what is right for seniors regardless of finances available. We strive to find the very best care options for every family.

## What We Do

Our Advisors are experts in long term care options. We will help navigate this confusing industry to find the perfect solutions for your needs.

**All our services are complimentary to families**

## Where We Go

Our Care Advisors cover every licensed facility in Washington State. However, we will only refer the very best options for each unique situation.

- ◆ **Adult Family Homes**
- ◆ **Assisted Living Communities**
- ◆ **Independent Retirement Communities**
- ◆ **Nursing Homes**

## Steps We Take

**Step 1:** Personal meeting with family to determine what is needed

**Step 2:** Obtain written authorization to begin looking into solutions

**Step 3:** Schedule & accompany family on guided tours to meet providers and visit appropriate options

**Step 4:** Arrange the needed details for any transition, i.e. provider, family, medical facilities, social worker and/or professional services

## What We Ask

The more we know, the better we can assist. We only ask questions which will allow us to make the very best recommendations.
