

HOW TO MAKE A PAW-SITIVE DIFFERENCE THIS ELECTION

The mission of the Highland Lakes School is to advocate for our children. As a 501(c)3 organization, we do not endorse any candidates. Instead, we engage and empower our families to learn about and support programs and policies that improve our school community and help make every child's potential a reality!

This election season, join us by taking these 3 easy steps....

GET REGISTERED

Register to vote or update your registration online before the October 7th deadline at elections.maricopa.gov
