Dear Parents and Community Members,

I would like to invite you to two upcoming public forums. Both are designed to be informative and to give you, our school community, the opportunity to provide us with some valuable feedback. We hope you will be able to join us for our Reopening Plan forum on April 28th and our Budget Public Forum on May 10th.

Reopening Plan Community Forum

This year has been full of changes, the most recent being the return to 5 days a week for all of our in-person learners. This transition occurred on April 5th. While the process has gone smoothly, we recognize that parents and community members may have some outstanding questions. We would like to invite you to two zoom sessions in which the administrative team will listen to your feedback on the update plan and answer any questions you may have. To review the most recent plan, visit our webpage at www.marathonschools.org and click on the [2020-2021 School Reopening Plan](#) under announcements. The Appleby feedback session will occur at 6 PM and Junior/Senior High School specific information and questions will occur at 7 PM.

Marathon Budget Public Hearing

The District will have our annual budget public hearing on May 10, 2021 at 7 PM. This meeting will take place in-person in the Appleby cafeteria (24 Albro Road, Marathon). Participants will need to be masked and socially distanced. Our school community can also attend by zoom (See the link below).

The district will be receiving grant funds in addition to our federal and state budget allocations. The grant money must be used predominantly for non-reoccurring items and address COVID related aspects including learning loss. At the budget hearing, we will be working with community members both

in-person and via Zoom to gain your feedback and insight on what these funds could be used for. I look forward to hearing your ideas and hope we will have many community members attend.
