Mr. Kogan,

At this point in the process I will be your primary contact and will review the letters you sent yesterday. All incoming requests are assigned through this office.

Please let me know if you have any questions.

Sincerely, Wendy Schumacher, NOAA FOIA Officer

NOAA FOIA Office

Dear Joan,

We received this morning confirmation of receipt of one of our FOIA Requests - DOC-NOAA-[2014-000714](#).

There are, however, seven such requests which, because they seek distinct records, arguably necessitate their own responses.

We would appreciate your looking into this matter more closely.

Very truly yours,

Lawrence

Hello Mr. Kogan,

Thank you for sending your requests electronically.

I am forwarding them to our NOAA FOIA Officer who will enter them into FOIAonline.

You will receive a response about process and status through FOIAOnline.

Thank you for working with me to assure that the correct office received your request.

Regards,

Joan

Dear Joan,

Per our discussion, I have attached for NOAA's recordation, consideration and response the FOIA requests previously mailed by the Institute for Trade, Standards and Sustainable Development (ITSSD), dated March 14, 2014. There are seven FOIA request letters in all.

Thank you, in advance, for confirming receipt of this email correspondence and your ability to open the attachments.

We look forward to seeing these requests entered on the FOIAonline.regulations.gov website and to working with NOAA to secure in timely fashion the documents requested.

Very truly yours,

Lawrence

Thank you, Mr. Kogan for working with me.

I am including the NOAA FOIA Office email in my response to alert them of your request.

Regards,

Joan

Dear Ms. Moumbleaux,

Thank you for following up this afternoon by phone and transmitting your email address.

I appreciate your explanation concerning how recent changes in NOAA FOIA personnel have not yet been reflected on the NOAA website.

Per your request, to facilitate expedited recordation and the commencement of the 20 day statutory response period, the ITSSD will, by later this afternoon, provide digital versions of the FOIA documents it previously submitted via first class mail on March 14 to NOAA offices.

Very truly yours,

Lawrence Kogan
