

DEFENSIVE ACTION PISTOL CLASS

This Defensive Action Pistol Shooting Course teaches the general knowledge, skills, and attitude for shooting from the holster safely. It is a 4-hour long range session where students will draw from a holster, shoot, and reload on the move, while taking cover. Students will also learn rules for safe gun handling, shooting fundamentals, and general range rules. The range fee is included with the price of the class. The cost of this class is \$160. Students need to supply eye and ear protection and 150 rounds of 9mm ammunition. Holsters, magazine pouches, and handguns are available for rental.
