

Infinity Solutions PF-2 Paper Folder

The Infinity Solutions PF-2 Paper Folder is a durable, easy-to-use folder with a processing throughput of up to 8,000 forms per hour. We have designed the PF-2 to handle 8½"x11" as well as 8½"x14" paper. The PF-2 is capable of handling all of your paper needs, including glossy paper. It is very rugged with our traditional bottom feed technology. The Infinity Solutions PF-2 is completely manufactured in the United States, and its durability is unmatched in the industry.

Performance under pressure - often copied never duplicated.
