

Dear Parents/Guardians,

Welcome to 4K aka the Blue Owl Room at Mother's Day Out! I look forward to getting to know you and your child. I have a lot of exciting learning, growing, and playing activities planned for this year. I am confident your child is going to enjoy his or her time with me! Here is some info about myself to help make the transition to the 4k classroom as easy as possible.

My name is Amy Orthmann (Ms. Amy). This is my 9th year as a teacher for the 4K program at MDO. I have been married to my husband Jon for 30 years. We have 2 children. Nicholas who is 26 years old and works in Kenosha. And Lindsey who is in her second year at The University of Wisconsin-Milwaukee. I enjoy reading, walking, pinterest and going up north to our cabin.

To help us get more acquainted with your child, please fill out the "Characteristics of Your Child" and return it at Open House. Also, please read over our Parent Info Form to give yourselves an overview of our 4K class as well as look over our classroom schedule.

Please feel free to contact me at anytime, either at school or via email at amy.orthmann@mdoracine.com

Sincerely,
Ms.Amy
