Chaplain's Message

Chaplain's message :

In Acts 2:42 (They devoted themselves to the apostles teaching and to fellowship to the breaking of bread and to prayer) we read that one of the four things the early church devoted itself to was "fellowship". Fellowship was a very important part of their reason for meeting together. It was one of their objectives. But what is fellowship?

We often hear people talking about fellowship. It has been said that we need more fellowship. Our modern day ideas of fellowship have become so watered down that the word no longer carries the same meaning it did in New Testament times.

Luke tells us these early Christians devoted themselves to fellowship. This means that fellowship was a priority and one of the objectives for gathering together. They made fellowship a priority.

Recently our Club President mentioned that they were two groups of people he liked to spend time with - his church friends and his car club friends. As he made this statement I couldn't help but agree with him. As I thought about this and was reminded about the fellowship we felt when we joined the club.

We often view fellowship as what we do in "fellowship hall". It is the place where we have casual conversations and some coffee and donuts. We as a club have a couple of opportunities for this type of fellowship - Our monthly breakfast time and meeting weekly on Sunday evenings at Fuddruckers. (Great time to get to know each other with food)

This is not bad and can contribute to fellowship, but may we be reminded that it falls short of true fellowship according to biblical standards and according to the meaning and use of the Greek words for fellowship.

President French's Message

Happy Valentines everyone!

It's almost here and we are going to celebrate the occasion Tuesday February 12th at Trophy Club Country Club.

So we are going to have a great dinner with wonderful conversation and games that are generic and non-couple based. So if you haven't told Bobby you're attending, grab your BFF or bring yourself and come hang with your friends for a fun evening! You know you want to!!

At the last meeting I asked y'all to tell me what belonging to CCC means to you and I shared what it means to me. So I want to share with you a small portion of a response that I received.

So, what does being a member of CCC mean to me? The world!

Any time I can have fun with cars in a Christian environment, with true professing Christians, well that's just a little slice of Heaven on earth.

I am proud to call myself a bible-believing Christian who knows he is saved by the Grace of Jesus Christ, my Lord and Savior, and I am proud to be part of an automotive fellowship of like-minded people who try to follow in HIS footsteps, according to HIS Word.

As for the benefits received by being a member of CCC? There are many, but what comes to mind first is the fellowship, love, and resulting joy that Christ has given and wants us to enjoy.

Well said my friend, well said.

Vice President's Message

IT'S HERE!

Car Show Season (almost)

Let's all put our wish in for no rain on Saturdays.

Flyers, business cards, registration forms and window cards are currently being prepared for printing. The trailer and all the show stuff is ready. It is up to us now.

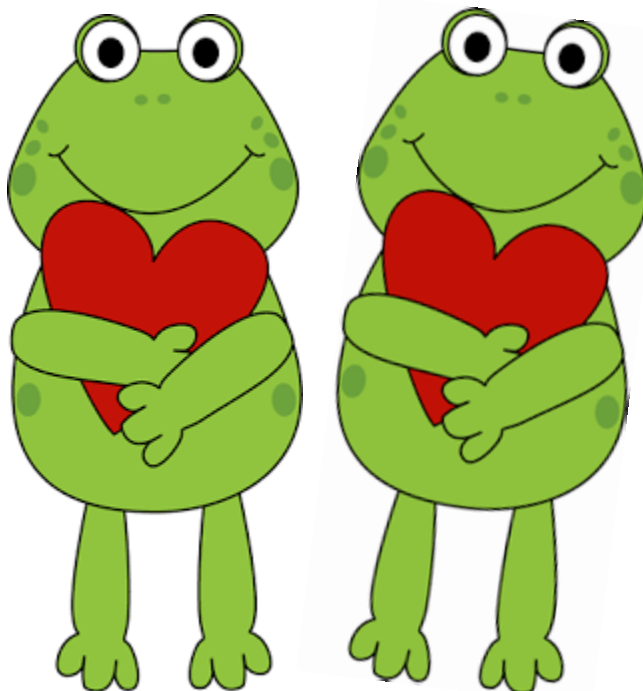

We need to firm up who is pulling the trailer, working the registration table, popcorn, tee shirts, front gate and picking up the trash. I know mostly the same people have worked these areas for several years and you are greatly appreciated! However, I would still like to know if you can continue to help. If anyone else would like to help in any of these areas let us know.

It's been mentioned during the club meeting but here it is again: all persons judging vehicles must be wearing their Maroon club shirts.

One last thing is the shows are a tremendous opportunity to promote the Christian Classic Cruisers and let the participants know that we appreciate their coming to our show. How about everyone from the club get up, take a stroll, and go find the car owners, shake their hand, and thank them for coming.

LET'S HAVE A GREAT SHOW SEASON!

Hey Guys and Gals!

Did you all enjoy the activities in January. Folks, exciting things are happening and those that missed out get aboard. At our EOM club breakfast at Skillit-Grill in Arlington we had record attendance of 42. There were also 5 visitors. Now how exciting is that! Those that missed come on out the next time. Many that were there was impressed with the food portions. I saw someone going around and boxing up the uneaten bacon scraps and taking them home....I won't mention any names.

Mr. President (Steve) introduced our special guest Wesley White owner of: Injected Customs in Ft. Worth. As most of you know Jerry Hogan met up with Wesley and in the course of their conversation asked him if he would give CCC a tour of his shop. Wesley said yes.... Wesley drove over and had breakfast with the club then we all went to his shop for the tour. What a talented young man. Wesley did WoW us all.

Those that missed this don't be disappointed, we have some exiting things in the making. It will probably be better than Blue Bell. You have to attend to enjoy! Get involved folks.
