 Held at Colina de Oro, Diamond Springs
 Opened: 5:20 PM Closed 6:18 PM

3/11/19

Officers Present: Mike Worley, Pres.; Mickey Razy, VP; Sandra Longcor, Treas; Sharon Denton, Secretary

Board Present: Doug Becker, Pam Nessensen, Ed Driscoll, Richard Cox, Jim Peet, Dave Longcor, Bob St.Amour

Quorum: Yes.

Minutes: There was a consensus that the minutes would be emailed to all board members for their approval, changes or corrections, or disapproval. Upon a quorum approval, the minutes would be sent to the Webmaster to be published on the website.

President's Report: Mike stated that there will be an Easter shoot on April 20, 2019.

Mike received an email regarding alleged stray bullets from the range. Mike will follow up by sending the writer an email and hope to start a dialogue with that person to find out all of the issues.

There needs to be a list of the officers and their email addresses on the website. Mike will follow up with the Webmaster to determine if it can be done.

Cal.net installed Wifi at the Lower Range.

Vice President's Report: Mickey reported that the costs and the income received for the clay targets was a \$20,000 investment and the Club made \$25,000. After lengthy discussion, it was the consensus to keep the fees at the same rate.

Motion was made, seconded and unanimous vote to purchase birds before Larry Ward leaves for Montana. There is plenty of room to store the new ones in the same area the old ones are stored. This will allow the Club members the use of Larry Ward's forklift, before he leaves for Montana, to move the birds to storage.

It was requested that Mickey call Larry Ward to ask if we can send back the pallets the Club had to purchase in addition to the birds at \$12 per pallet.

Secretary's Report: Sharon reported that she is in the process of inputting the applications, new & renewing. It is a slow process because of making sure the information in the database is the same as what is on the application.
