

Subject: Illinois - FW: Year-End & New FM Tax Stmt Due Date

SURPLUS LINE  
ASSOCIATION  
*of Illinois*

### Year-End Filing Cutoff, New Due Date for FM Tax Statement Filing & Payment, Delivery Address for Your Tax Statements

*Year-end is rapidly approaching. Please read the following important information!*

#### Year-End Filing Cutoff

The cutoff for electronic filings (EFS) this year will be 7:00pm, central time on Sunday, December 20, 2021.

Any filings made by this time will be reflected on your December activity report, stamping fee invoice, and your 2021 tax statements. Filings made after this time will be part of your January 2022 activity.

After the EFS cutoff time, the system will be unavailable until our year-end processing has completed. We expect to be back up by noon, central time, on Wednesday, December 29, 2021.

Cutoff Information

#### New Due Date for Fire Marshal Tax Statement Filing & Payment

The annual Fire Marshal Tax Statement and any associated payment are now due on **February 1st** each year, instead of March 31st. This aligns the FM tax due date with the surplus line tax statement due date.

Be on the lookout for your statements in the mail! You can also print them through the *Electronic Filing System* (EFS) beginning on January 1, 2022. [Visit our website](#) for more instructions!

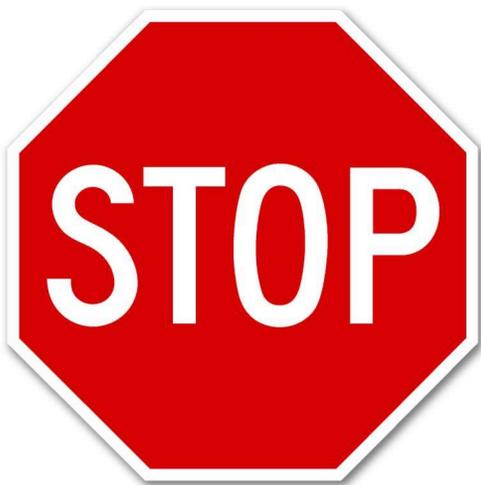

#### Delivery Address for Your Tax Statements

As a licensee, if you have moved recently, it is important that you update your address in NIPR. Did you know you can choose the address to which the SLAI delivers your tax statements? [Send us an email](#), to let us know.

If you are the staff member that handles the tax statements for multiple licensees at your company, we can send all the tax statements to you. [Send us an email](#), to let us know.

[Send Us an Email to Update Your Tax Stmt Delivery Address](#)

### Before You Unsubscribe...

If you are an Illinois surplus line licensee and want to see fewer emails (we only send about six to eight emails per year!!), update your preferences so that you only get "Bulletins." In our 36-year history, we've only issued 49 bulletins -- that's **less than 2 per year!**

Since the Illinois Department of Insurance relies on us to communicate important changes in laws, regulations and procedures to you, it is important that you **do not unsubscribe from the Bulletins list**. If you do unsubscribe, you will miss critical compliance updates.
