For this clinic, we will be separating riders into groups of 3-4
based on horse size/stride length.

Fee: \$70.00/ride

We accept cash, or checks made payable to: Savannah Whisler

Payment is due at the time of registration in order to reserve your spot in the clinic. At 20 rides, we will begin a waitlist. If you have signed up and paid and are unable to ride at the time of the clinic, it is your responsibility to fill your spot, unless it can be filled by the waitlist.

The clinician charges a flat rate per/day no matter how many horses attend, and that is paid to reserve the date. Once the clinician and her expenses are paid, any money left over will be donated to **Project Spirit**.
