Important things to know going forward:

- The trip is pending School Board approval. It's likely to be approved but not taken for granted.
- Once registered, all communication regarding the trip is between participants and WorldStrides. Directors don't handle any of the management, or have access to participant's accounts. Please contact WorldStrides first with any questions.
- The maximum number of participants is 104. Beyond that you'll be put on a wait list. You're encouraged to register as soon as you are able. The portal is open now.

Thank you,  
Mr. Jensen / Mr. Rose
