

### WDAM Radio's History Of The Animals

It's the Animals as only WDAM Radio could tame them!

Here's what's here:

- Every charted Animals hit – both in the U.S. and the U.K. – including all the various incarnations of the group.
- Selected Animals album cuts.
- Every charted hit by key Animals founding members – Eric Burdon and Alan Price – in their various group and solo incarnations after the breakup of the original Animals.
- The original version any song that the Animals later made into a hit or that appear in this collection as a selected album cut.
- Every hit single by any other artists of songs originally recorded by the Animals or made into a cover hit by the Animals – also includes the selected album cuts that appear in this musical menagerie.
- Data arranged in two different mixes: (1) "U.S. Hit Singles Mix"; and (2) "Deluxe Mix" (adding original versions of songs that the Animals covered as new hits, along with hit covers of animals hit originals + solo hits by former Animals members).

Rock on.
