Color is Black, Shape is Circle, Letter is E ,Number is 9

Dear Family and Friends,

We have made it to the last full month of the school year. It's hard to believe it is almost over! It's amazing to see how much the children have learned and grown over the past several months. As the weather gets nicer we will be spending more time outdoors. Hopefully the warm summer weather will stick around :) We are still focusing on building those fine motor skills as we near the end of the school year. We have also been doing name recognition in addition to our usual letter, number, shape and color recognition.

For the Month of April:

Color is BLACK
Shape is CIRCLE
Letter is E
Number is 9

Remember to bring a 2 part snack for this month to share with the class. Please remember to send your child with a water bottle every day.

As always, feel free to email any questions or concerns.

Sincerely,
Ms. Kristina and Ms. Tori
