- ◆ Pack your outside water meters as soon as possible to avoid them freezing.
- ◆ Please do not rake leaves into the streets. Doing this may hinder proper drainage.
- ◆ Town Hall will be closed 11/10 for Veteran’s Day and 11/23-11/24 for Thanksgiving.

### Snow Removal Policy

***PLEASE refrain from parking vehicles on the street when it’s likely that plowing will be necessary.***

*The Town of Rockford believes that it is in the best interest of the residents for the town to assume basic responsibility for control of snow and ice on town streets. Reasonable ice and snow control is necessary for routine travel and emergency services. The Public Works Director will decide when to begin snow or ice control operations. For a copy of the policy in it’s entirety, please contact Town Hall or go to [rockfordwa.com](http://rockfordwa.com).*

The town will make an effort to remove snow from the downtown area sidewalks, provided personnel and funds are available. Business owners should not assume the town will be solely responsible for the sidewalks in front of their businesses. It will be necessary for business owners to work in conjunction with town personnel to keep the sidewalks snow and ice free. Residents are responsible for snow removal on the sidewalks in front of their property. The town is not responsible for driveways. You should expect to have to keep your driveway open.

Election Day is November 7th.

Don’t forget to vote!

Happy Thanksgiving!
