RVT or Vet Assistant w/ experience FT (weekends included)

Georgia Veterinary Associates (GVA) is searching for friendly, hard-working, committed, and energetic animal lovers to join our team! Georgia Veterinary Associates is a group of six privately owned veterinary hospitals in the North Metro-Atlanta area. Our mission and obligation is to provide innovative and thoughtful care to pets and the people who love them!

Our family of doctors and staff are committed to continuing education, collaboration, and offering services tailored to individual pet's needs. Our group of hospitals offers cutting-edge services in preventative care, orthopedic and soft tissue surgery, dental procedures and x-rays, acupuncture, laser therapy, CT (computed tomography imaging), laparoscopy, boarding and grooming.

Ideal candidates will have a great work-ethic, be reliable, possess strong customer service skills, have the ability to multi-task and have excellent communication within a team.

At GVA, "We CARE", we foster a culture that engages individuals to always continue learning, adapting and growing.
