Welcome AFRI New Executive Director

LEO “RANDY” RANDOLPH

By Cassandra Beck

AS THE NEW YEAR is upon us, we are excited to announce the newest member at AFRI, Leo “Randy” Randolph, as our new executive director. This isn’t the first position Randy has held with AFRI. Randy has also served on the Board of Directors as Vice President in Charge of Facilities. He has also had the privilege and honor of overseeing the initial construction of the Center in 2003, when the AFRI Mission Team went to Nigeria.

Randy is bringing over fifty years of experience to our team. He has served a variety of Church of Christ locations across the country sharing God’s Word. While serving at these locations, Randy was able to increase attendance by captivating and challenging

attendants by showing them the light and the truth of Jesus Christ. While inspiring existing members of The Church of Christ, he was able to share the light onto people’s lives with the water of baptism over one hundred times. He went further than just the church walls! Randy has helped the incarcerated, the sick, the wounded, the shut in and the disabled. It doesn’t stop there, Randy also has the drive to share the Word of God abroad and has been a part of mission trips in over seven countries. When he isn’t actively preaching, Randy is a devoted husband, an avid outdoorsman and a private pilot. AFRI is excited for Randy to be a part of the team and for his passion for Christ to lead us to a brighter tomorrow.

Donated Vans are a "BLESSING" to Mission School Children

THE MAIN PURPOSE of the Vans are to help pick up kids from these Rural Villages to AFRI Mission School and to support the Hospital. I can not enumerate all the benefits for the School, Hospital, Patients, Evangelism, Women Program, Emergency Response and much much more including Community Awareness.

In its first use, the Van is used as a "School Bus" to perform the first pickup of mission school children from the village of Ikot Akpa Isiak.

Prayers answered!
